## Armed Force For Palestine Is Requested

Five Power Palestine Commission Of U. N. Demands Military Force

### AWAIT RESPONSE OF GOVERNMENTS

By JAMES L. KILGALLEN  
(U. N. Staff Correspondent)  
**LAKE SUCCESS, N. Y., Feb. 17.**—The United Nations waited with tense interest today for eleven member governments of the security council to decide their respective policies on the creation of an armed force for Palestine.

The demand for "military forces in adequate strength" was placed before the council group by the five-power Palestine commission as the alternative to disastrous failure and bloodshed in the Holy Land.

Refer To Home Governments

All eleven delegations immediately referred the explosive document to their home governments, with attention drawn to the commission's warning that there is "compelling need for prompt action to avert great bloodshed and human suffering in Palestine."

At Lake Success, it was considered likely that the security council may be summoned for initial consideration of the demand for armed force by Friday or, at the latest, next Monday.

The United States delegation rushed the report to Washington. Up to the present the armed force recommendation has been maintained by policy makers in the Capital.

Warning Is Seen

The undertone of the Palestine commission's report was strikingly marked by a tendency to warn the council that either the armed force is provided or the commission might as well pack up.

The Palestine commission was appointed by the U. N. General Assembly last November to put the partition plan into effect.

It was made up of representatives of Czechoslovakia, Denmark, the Philippines, Panama and Bolivia.

The five-man Palestine commission, in a twenty-page report, notified the security council that partition of the Holy Land cannot be achieved without an armed force.

Ways and means of supplying such an armed force was left up to the security council for its decision.

## Over 50 Merchants Share Dollar Day Here On Thursday

One of the things that went out with the war was Dollar Day. But like many of the things we missed during the war, it is back. Dollar Day, the first one since 1942 will be held by more than 50 merchants of the city on Thursday, February 19.

William E. Langan, chairman of the Dollar Day committee for the Merchants Division of the Greater New Castle Association announced today that an old-fashioned Dollar Day will be held in New Castle Thursday, with genuine bargains the order of the day.

More Busses

The more than 50 merchants participating in the Dollar Day have marked their stocks down generally. Because there will be a host of shoppers down town that day, the Shenango Valley Transportation Company is arranging to put on additional busses to handle the crowd.

On Thursday the dollar will look more like it used to. Real savings in all lines of merchandise will be offered for this day only. It is not a come-on day with the same prices hanging over for the week following. Dollar Day will have its own prices and all of them will be below the regular price of the articles on sale.

Nylons are back, cigarettes are plentiful, you can have a steak without getting a letter from your pastor, and now Dollar Day. Looks like happy days are here again for the shoppers.

## Million Dollar Disaster Averted By Wind Shift

PROVINCETOWN, Mass., Feb. 17.—(INS)—The threat of a million dollar disaster was averted today by a shift in the wind and rising temperatures which dissipated a 35-mile square ice pack, drifting across Cape Cod Bay.

Residents along the "hook" of the cape at Provincetown, Wellfleet and Truro had been alerted by Coast Guardsmen, police and volunteers in the belief the morning tide would sweep huge ice cakes along the shore, destroying waterfront property. Some of the giant cakes reached 20 feet out of the water.

## Battalion Chief In Philadelphia Dies Fighting Fire

PHILADELPHIA, Feb. 17.—(INS)—A mammoth battle out job today faced the owners of the Gibson Furniture Co., after a nine-hour four alarm fire which resulted in the death of a fire chief and killed 107 other firemen.

Battalion Chief Howard A. Stewart collapsed and died in his West Philadelphia headquarters a few minutes after he returned from fighting the midtown blaze.

Six Firemen Overcome

Six firemen were hospitalized after they were overcome by smoke and illuminating gas. The others were treated at the scene. Workers had to tear up the street to shut off gas pipes leading into the building.

Because of the fumes, firemen were unable to enter the sub-basement where the fire broke out. They poured tons of water into the 40-foot deep storage vaults, filling the sub-basement to the ceiling with water.

## Injuries Fatal To Ellwood Man

Watchman On Coastling Street Dies After Being Struck By Robbed Two Weeks Ago

ELLWOOD CITY, Feb. 17.—Burford O. Bowen, aged 80 years, of 412 Orchard street, died in the Ellwood City hospital, shortly after 8 o'clock last night, two weeks after he had been injured when struck by a bolted on North street.

No broken bones had been sustained, but the shock proved too much, and he died in the hospital last evening, after he was apparently on the road to recovery.

Mr. Bowen had been employed by the city as a watchman to protect coasters, and had stepped out on Hazel street, to flag an approaching auto. As he stepped back, he was struck by a bolted, ridden by four boys.

His body was removed to the J. I. Porter Undertaking establishment to be prepared for burial.

## Johnston Replies To Charges Made By Rep. C. Kearns

Urges Compulsory Arbitration To Curb Jurisdictional Strikes Of Unions

### KEARNS ALLEGES CONSPIRACY SEEN

WASHINGTON, Feb. 17.—(INS)—Eric Johnston, president of the Motion Picture Producers Association, today advocated compulsory arbitration to curb what he called "the industrial anarchy" of jurisdictional strikes.

Johnston recommended the legislation to a House Labor subcommittee investigating the prolonged Hollywood studio jurisdictional strife while defending the producers against charges that they "conspired" with leaders of one AFL faction to effect a "lock-out" of another group of AFL unions.

Charge By Kearns

The charge was made by Rep. Kearns (R-Pa.), chairman of the subcommittee.

Johnston laid blame for the strife which flared last September to "the American Federation of Labor alone." He said the producers "are always caught in the middle" and declared management has "suffered severely."

He urged that Congress pass a law requiring unions to arbitrate and settle such disputes "before rigid lines form and work has stopped."

In his recommendation, Johnston said:

"Such legislation should compel the inclusion in all union-management contracts of clauses pledging the unions to peaceful arbitration of disputes over jurisdiction between rival unions."

## Northern Korea 'Red' Republic, Plan Of Russia

Report U. S. State Department Plans Sharp Comment On Latest Move

By JOHN A. REICHMANN  
(U. N. Staff Correspondent)

WASHINGTON, Feb. 17.—The state department is understood today to be planning a biting comment on Russia's reported establishment of an independent republic in the Soviet-controlled northern zone of Korea.

State department policy makers studying the reports from Korea regard such a step as a flagrant violation of the Moscow agreement, and a statement is expected as soon as all the facts have been gathered.

The Moscow agreement provided, as did the Potsdam agreement on Germany, for the political and economic restoration of the country as a whole and return of the government, after 40 years of Japanese occupation, to the Korean people.

Move Is Sudden

A later agreement which enraged many Koreans provided that the occupying powers operate a trusteeship over the country.

Washington officials are concerned primarily over the suddenness of the move in northern Korea. It is interpreted to mean that the western powers are now confronted with the accomplished fact that a Communist satellite regime is functioning in this important area.

Moreover, the regime reportedly is in an organized position and ready to move in and take over all Korea when and if the United States tires and brings its soldiers home.

The fact that Korea is the most distant area in which occupation forces are located, makes it more than likely that such a demand may arise there sooner than in other areas.

## Flood Waters Recede Slowly

Mississippi And Ohio River Valleys Still Seriously Threatened

### CREST AWAITED NEAR CINCINNATI

(By International News Service)

The Mississippi and the Ohio river valleys remained the only two areas seriously threatened with floods today as high waters in most of the southeastern states receded slowly.

Mississippi National Guard planes and American Red Cross disaster crews worked feverishly to evacuate 100 families from along the Tombigbee river near Aberdeen, Miss. Three hundred families already have been driven from lowland homes.

Await Crest

Along the Ohio river from Cincinnati to Hannan, Ky., residents awaited the advancing crest of the rampaging river. Latest reports from Louisville said the Ohio had risen 11 feet since Saturday and was approaching flood stage.

New aluminum flood stage barricades were erected as Paducah as a precautionary measure and pumps were put into operation on the flood wall.

Meanwhile, C. E. Blue, chief engineer of the Tennessee Valley Authority, credited the TVA flood control system with averting about \$500,000 possible damage in the Chattanooga area.

## Violence Flares In Taxi Strike, One Man Killed

Bullet Kills Striking Driver In Pittsburgh. Other Violence Is Reported

PITTSBURGH, Feb. 17.—(INS)—One man was slain early today as violence flared anew in the third day of a strike of Yellow Cab Co. drivers in Pittsburgh.

Police said Louis E. Dillenbo, 28, one of the striking drivers, was instantly killed when struck by a single bullet, reportedly from the pistol of a driver of an Owl Co. cab.

Taunted Driver

The Owl drivers, members of a rival CIO union, are not on strike. Police said the shooting occurred when a group of striking drivers taunted and threatened the Owl cab driver when he stopped for a red light at a downtown Pittsburgh intersection.

A suspect was arrested soon after the shooting and was being questioned by police.

The Yellow Cab drivers, seeking a 15 per cent increase in pay, went on strike at 6 a. m. Sunday. Windshields of two cabs of the Peoples' Cab Co., which is not on strike, were smashed and other acts of violence were reported Sunday and early Monday.

## Rent Control Extension Will Reach Congress

Banking Committees Of Congress Favor At Least Month's Extension Of Control

WASHINGTON, Feb. 17.—(INS)—The powerful banking committees of both houses of congress are committed today to at least a one-month extension of rent controls, now due to expire Feb. 29.

Action by the full congress will be delayed until Monday or later, however, under a "gentlemen's agreement" between Republicans and Democrats to delay consideration of all controversial matters until next week.

The house committee's move was limited to a 30-day extension of the present control law. It was announced almost simultaneously with a supreme court decision declaring the law unconstitutional.

The 30-day extension was based upon a desire to study the price picture to determine whether stabilization might permit further relaxation or removal of controls.

## Latrobe Caesarean Quads Are 'Doing Well'

Latrobe, Pa., hospital nurses display the three girls and a boy born to 25-year-old Mrs. Andrew Zavada by Caesarean section. Delivered a month prior to their scheduled arrival, the quads weighed a total of 13 1/2 pounds. They are reported "doing well."

## Says Women Have Power To Bring Living Cost Down

President Truman Talks To Group Of Women's Leaders In Washington

By ROBERT G. NIXON  
(U. N. Staff Correspondent)

WASHINGTON, Feb. 17.—President Truman said today that the women of the nation hold in their hands the power to bring down the high cost of living.

The chief executive told a group of women's leaders meeting in Washington that women have the answer to high prices and inflation because they control almost 100 percent the "power of the consumer."

Use Consumer Power

Mr. Truman did not, in so many words, call upon the women to launch a buyers' strike—for he is known to oppose such stringent methods—but he did call upon them to use wisely "to its full capacity—the power of the consumer."

The president mulctured at mid-morning to the departmental auditorium in the Labor Department Building on Constitution Ave. to address the meeting. The president (Continued on Page Two)

## Grange Assails Grain Gambling

WASHINGTON, Feb. 17.—(INS)—The national grange charged today that "excessive gambling" in the commodity market results in "harmful fluctuation" in the cost of living.

The grange asked congress to establish trading market requirements to curb speculation. The position of the national farm organization was presented in the senate agriculture committee by J. T. Sanders, grange legislative counsel.

He declared that market fluctuations hurt producers, dealers and consumers and "are useful only to traders who buy and sell purely for speculation."

## Margaret Truman Quietly Observes Her 24th Birthday

WASHINGTON, Feb. 17.—(INS)—Margaret Truman is quietly observing her 24th birthday today—without fuss, feathers or romance.

The daughter of President and Mrs. Truman chose to pass her third White House birthday in a "home folks" fashion.

There'll be a family gathering tonight and an "austerity" cake with 24 candles, but a birthday party was ruled out for two reasons:

1. This is the Lenten season.
2. Formal entertainment at the executive mansion has been drastically curtailed because of the world food shortage.

As for romance—such as might engender a glamorous evening at 1600 Pennsylvania avenue, with the scarlet-coated Marine band mulling its brass to waltz time—the White House insists that Miss Truman has ruled that out, too, at least temporarily.

## Michael Coming To United States

LAUSANNE, Switzerland, Feb. 17.—(INS)—The secretary of former King Michael of Romania told International News Service in Lausanne today that the exiled monarch would leave for the United States toward the end of the month.

The secretary said that he would be accompanied by his mother, the former Princess Helen of Greece, but not by his expected bride-to-be, Princess Anne of Bourbon-Parma and Denmark.

## Latrobe Quads Are Doing Fine

LATROBE, Pa., Feb. 17.—(INS)—The Zavada quads, born Sunday at the Latrobe hospital, were "doing fine" today after taking their first real food yesterday—a formula of plain rice and water.

The doctors said they were pleased with the babies—three girls and a boy—general condition. They pointed out, however, that the danger period is the first six to seven days.

Meanwhile, Mrs. Zavada was reported resting comfortably, and Papa Andy Zavada had so much on his mind that he appointed his boss, S. R. McElroy, president of the Latrobe Die Casting Co., his financial and legal advisor to take care of any propositions Zavada might expect.

## Plant Is Halted

WILLOW RUN, Mich., Feb. 17.—(INS)—Production at the Kaiser-Fraser Willow Run plant was halted for the second time in two days by a walkout shortly before noon today.

Company spokesmen said 40 millwrights walked off the job because of a long-standing grievance involving their refusal to work with one of their foremen.

## Expect To Take Bids On Extension Of Turnpike

HARRISBURG, Feb. 17.—(INS)—The Pennsylvania Turnpike commission said today it expects to take bids by June for work on the proposed eastern extension of the 160-mile toll highway.

The project is now confined to aerial surveys of three possible routes for the 100-mile eastward thrust from the Middlesex, Cumberland county, interchange to a point near Paoli, 20 miles from Philadelphia.

Chairman T. J. Evans said bad weather had delayed aerophotography by a private firm contracted to handle the survey.

Air maps were not complete, but were expected to be turned in for study soon, according to Evans.

"We expect to take bids by June," he added.

The commission earlier had expected to have roadbuilders at work by the middle of January.

Attempts will be made to avoid pushing through fertile farm lands when the extension of the \$71,000,000 original turnpike is started. The cost will be underwritten with bond issues and possibly some of the \$500,000 monthly receipts from tolls.

A westward stem from Irwin, the newest west terminus, to the Ohio border is expected to be started in 1949.

## Steel Will Be Sent To Greece

About 35,000 Tons To Be Shipped To Aid In General Rehabilitation

WASHINGTON, Feb. 17.—(INS)—The commerce department announced today plans for shipping 34,950 tons of steel products to Greece "for the general rehabilitation of that country."

At the same time, the government said that 500 tons of steel will be shipped to Iceland for the manufacture of drums for cod-liver oil, most of which is to be exported to the United States.

The finished and semi-finished steel to be shipped under government auspices includes plates, pipes, sheet piling, structural shapes, and bar products, including wire rods.

Shipments are expected to begin within 30 to 60 days after orders are filed with more than 20 participating steel mills. The export program is scheduled to be completed in two or three months.

The commerce department said that the exports were recommended by the state department as being in support of U. S. foreign policy.

A government spokesman declared that the shipments will not have a serious impact on the domestic economy "since they represent only a fraction of one per cent of U. S. output."

## Committee In Closed Session On Europe Aid

WASHINGTON, Feb. 17.—(INS)—The senate foreign relations committee was summoned into closed session to report out today a bill authorizing a four and one-quarter year program of American assistance to 15 non-Soviet European nations.

The legislation embodying the Marshall program authorizes an initial appropriation of five billion 300 million dollars for 12 months beginning April 1. It creates an organization headed by a single administrator independent of the state department.

European recovery program. President Truman had requested six billion 800 million dollars for the first 15 months.

Senate debate on the measure will open March 1. Passage is anticipated in two or three weeks. Progress has been slower in the house where public hearings are slated to continue until Feb. 27. Henry Wallace, third party presidential candidate and a Marshall plan opponent, is scheduled to testify Feb. 24 before the house foreign affairs committee.

## Report Six Arabs Killed In Blast

JERUSALEM, Feb. 17.—(INS)—Six Arabs were reported killed today in renewed communal fighting in the Jerusalem area where an Arab house was blasted and an Arab house with 10 people inside.

Unconfirmed Jewish reports said that two Arabs were killed and two British soldiers were hurt seriously by the explosion of the house in the old city of Jerusalem.

Arab snipers wounded four British soldiers, three of them seriously, when they fired on the Tommies from a house just outside the old city.

Four other Arabs were reported shot and killed in fighting which followed the explosion of the Arab premises by Jews. The house reportedly had been used by the Arabs as a nest for snipers.

Arabs immediately attempted to mass an assault on a Jewish quarter, but were met by heavy automatic fire.

## Arthur Mometer

The lawn is green where a week ago there was piles of snow and a lot of snow, but there's something I think that you ought to know, this weather just cannot last. It's much too warm for the month we've got, it's fifty four and it's nearly hot, and the weather man has us on the spot, any moment it's apt to go. Don't lose away all your woolen socks, don't put your overcoat in the box, for according to old Dame Nature's clock, we'll still have some winter yet, and these phony spring days will leave us soon, don't count too much till we get to June, though I must admit this weather's a boon, but for lasting, well just don't bet.

## Northern Korea 'Red' Republic, Plan Of Russia

Report U. S. State Department Plans Sharp Comment On Latest Move

By JOHN A. REICHMANN  
(U. N. S. Staff Correspondent)

WASHINGTON, Feb. 17.—The state department is understood today to be planning a biting comment on Russia's reported establishment of an independent republic in the Soviet-controlled northern zone of Korea.

State department policy makers studying the reports from Korea regard such a step as a flagrant violation of the Moscow agreement and a statement is expected as soon as all the facts have been gathered.

President Truman Talks To  
Group Of Women's Leaders  
In Washington

By ROBERT G. NIXON  
(U. N. S. Staff Correspondent)

WASHINGTON, Feb. 17.—President Truman said today that the women of the nation hold in their hands the power to bring down the high cost of living.

The chief executive told a group of women's leaders meeting in Washington that women have the answer to high prices and inflation because they control almost 100 per cent of the "power of the consumer."

Use Consumer Power  
Mr. Truman did not, in so many words, call upon the women to launch a buyers' strike—for he is known to oppose such stringent methods—but he did call upon them to use wisely "to its full capacity" the power of the consumer.

The president motored at mid-morning to the departmental auditorium in the Labor Department Building on Constitution Ave. to address the meeting. The president (Continued on Page Two)

## Grange Assails Grain Gambling

WASHINGTON, Feb. 17.—(INS)—The national grange charged today that "excessive gambling" in the commodity market results in "harmful fluctuation" in the cost of living.

The grange asked congress to establish trading market requirements to curb speculation. The position of the national farm organization was presented to the senate agriculture committee by J. T. Sanders, grange legislative counsel.

He declared that market fluctuations hurt producers, dealers and consumers and "are useful only to traders who buy and sell purely for speculation."

## Margaret Truman Quietly Observes Her 24th Birthday

WASHINGTON, Feb. 17.—(INS)—Margaret Truman is quietly observing her 24th birthday today—without fuss, feathers or romance.

The daughter of President and Mrs. Truman chose to pass her birthday White House birthday in a "home folks" fashion.

There'll be a family gathering tonight and an "austerity" cake with 24 candles, but a birthday party was ruled out for two reasons:

1. This is the Lenten season.  
2. Formal entertainment at the executive mansion has been drastically curtailed because of the world food shortage.

As for romance—such as might engender a glamorous evening at 1600 Pennsylvania avenue, with the scarlet-coated Marine band muting its brass to waltz time—the White House insists that Miss Truman has ruled that out, too, at least temporarily.

## Fear Men May Have Drowned In Tender Sinking

Tender Carrying 160 To 200  
Back To Aircraft Carrier  
Midway Is Sunk

### STRIKES BREAKWATER NEAR HYERES, FRANCE

(BULLETIN)

#### HYERES, France, Feb. 17.—(INS)—

One officer and seven men of the United States Navy are missing and feared drowned today in the sinking of a tender from the Aircraft Carrier Midway off the French Riviera near Hyeres.

The tender crashed into a breakwater and sank while carrying between 160 and 200 of the Midway's personnel back to their ship after spending the evening at the Byres Casino.

The captain of the Midway signaled the chief of staff of the Mediterranean command saying that a preliminary check indicated the loss of life was not heavy.

A thorough investigation is under way.

Most Are Rescued  
Most of the officers and men aboard the tender were rescued by small vessels which put out from shore and took them back to the Midway.

The carrier originally was scheduled to leave Hyeres this morning but her departure was delayed by the accident.

A roll call was ordered aboard ship and at points which survivors were taken in an effort to determine the exact number of missing sailors.

Officer Retired  
While the officer at Salins d'Hieres was retired, he said he did not think that casualties were as numerous as first stated. He said that possibly only four or five will be found missing.

Explaining his desire not to talk, the officer said:

"At the request of the commanding officer of the Midway all radio-telephone communications between Les Salins d'Hieres and the Midway have been suspended."

"As soon as possible the commanding officer of the Midway will contact the United States embassy. I am a French officer in charge of a naval base, but I have no authority to speak of an accident affecting the crew of a friendly ship."

The craft filled rapidly with (Continued on Page Two)

## Report Six Arabs Killed In Blast

JERUSALEM, Feb. 17.—(INS)—Six Arabs were reported killed today in renewed communal fighting in the Jerusalem area where an Arab house was blasted and an Arab flour mill blown up.

Unconfirmed Jewish reports said that two Arabs were killed and two British soldiers were hurt seriously by the explosion of the house in the old city of Jerusalem.

Arab snipers wounded four British soldiers, three of them seriously, when they fired on the Tommies from a house just outside the old city.

Four other Arabs were reported shot and killed in fighting which followed the explosion of the Arab premises by Jews. The house reportedly had been used by the Arabs as a nest for snipers.

Arabs immediately attempted to mass an assault on a Jewish quarter but were met by heavy automatic fire.

The lawn is green where a week ago, there was piles of ice and a lot of snow, but there's something I think that you ought to know, this weather just cannot last. It's much too warm for the month we've got, it's fifty four and it's nearly hot, and the weather man has us on the spot, any moment it's apt to go. Don't lose away all your woolen socks, don't put your overcoat in the box, for according to old Dame Nature's clocks, we'll still have some winter yet, and these phony spring days will leave us soon, don't count too much till we get to June, though I must admit this weather's a boon, but for lasting, well just don't bet.

## No Steel Strike Being Planned

**Steelworkers Want Wage Increase But Murray Says No Strike Contemplated**

PITTSBURGH, Feb. 17.—(INS)—Phil Murray and the CIO United Steelworkers want a "substantial" wage increase, but they have no intention of calling a strike to obtain it.

Murray, president of both the CIO and USW, made that clear at the union's executive board continued meeting in Pittsburgh for demands to be placed before steel operators in the next few days.

"We do not propose to abridge, or set aside, or undermine our collective bargaining agreement," Murray said at a news conference in answer to the question whether the union planned to ignore the no-strike, no-lockout, no-slowdown provisions of the current two-year pact to gain the wage increase.

The contract was signed last April and will expire April 30, 1949. However, it has a wage-reopening clause effective April 1, 1948.

Murray said that as yet the board had not drawn up a specific wage demand, although he said that immediately after a meeting of the wage-policy committee of the USW Wednesday a "wage report" would be made public.

The demands will cover all the union's 875,000 members.

water after it was torn open by what was described as a part of concrete breakwater.

The tender struck the object as the men were putting out to return to the Midway, now based in the Mediterranean, following a special party in their honor at the Hyeres Casino.

As soon as the craft sprang leaks sailors went to work on the pumps but to no avail.

When the water continued to pour in some sailors jumped into the water to lighten the craft in an effort to avert swamping.

Many of the rescued sailors were injured. These were rushed to the naval hospital at Toulon.

It was believed that heavy seas were responsible for tossing the tender against the breakwater.

## Rent Control Bill May Reach Senate During Next Week

WASHINGTON, Feb. 17.—(INS)—Sen. Taft (R-Ohio), GOP policy leader, said today that he hopes to bring legislation extending rent controls to April 30, 1949, to the Senate floor for action next week.

Taft declared that he would support the measure, approved by the Senate Banking Committee, and would oppose the House proposal to extend controls only for 30 days beyond the Feb. 29 expiration date.

The senator said that he does not believe Congress should withhold action on pending measures "simply because market prices go up or down" as proposed by the House Banking Committee.

## Governor Will Not Investigate P.U.C.

HARRISBURG, Feb. 17.—(INS)—The public utility commission will not be investigated by Gov. James H. Duff.

The chief executive said today he had no power to interfere with the independent utility-regulating agency except in cases of "corruption" and that "there is no evidence of corruption."

The governor made his statement in reply to a demand by the Pennsylvania veterans of foreign wars that the P.U.C. be investigated for its refusal for the second time to certify 90 Philadelphia veterans to operate taxicabs.

"I have no more control over what the public utility commission decides than what the courts decide," Duff said. "There is a remedy by law—appeal to superior court."

## Admits Causing Fire Which Took Lives Of Seven

PHILADELPHIA, Feb. 17.—(INS)—A 37-year-old employee of the Volunteers of America pleaded guilty today to involuntary manslaughter and admitted causing a fire which took the lives of seven people.

Judge Charles Gerald Peperly has deferred sentence.

The foreman, Stanley Deust, said he had been drinking the afternoon before the fire started. He smoked a cigar, he said, and after finishing his smoke he went into a room and fell asleep. He could not remember if he lit another cigar.

Major Thomas J. Strickland, in charge of the Volunteers of America relief work, testified that Deust had been in the organization's employ for about five years.

"He has always been a good workman," Strickland said.

## JOHNSTON REPLIES TO CHARGES MADE BY REP. C. KEARNS

(Continued from Page One)

assailed the producers and officials of the International Alliance of Theatrical Stage Employees for "creating incidents" which fostered the disputes. The Pennsylvania congressman warned:

"Unless you have evidence to the contrary to present to my subcommittee, it is my intention to making a finding on fact that the present labor dispute in Hollywood is the result of a lockout by the employees after having conspired with certain officials of the IATSE to create incidents which would make it impossible for the members of those unions affiliated with the conference of studio unions to continue to work in the studios."

Forty-seven AFL unions are involved in the strike. Kearns, who conducted preliminary hearings in Hollywood, declared:

"A careful analysis of the testimony indicates that the jurisdictional strife in the Hollywood studios is probably the result of collusion between the producers and IATSE."

Kearns asserted there was "substantial evidence in the record" that the alleged "conspiracy" was aided by certain members of the AFL, Teamsters Union and the Screen Actors Guild. He charged the AFL international leadership with lacking "the power, authority or courage" to halt jurisdictional disputes.

## Schwelienbach Has Praise For Women Workers Of America

WASHINGTON, Feb. 17.—(INS)—Secretary of Labor Schwelienbach declared that the United States "would be in a sorry state indeed" if women workers following the advice of men who think a woman's place is in the home.

Schwelienbach, speaking before the Women's Bureau Conference sponsored by the Labor Department, described wives who advocate that women workers retire to domestic duties as "our stone-age men."

**Doing Great Work**

The cabinet member pointed out that women represent about 30 percent of the nation's working population. He said they constitute 75 percent of U. S. teachers, 99 percent of professional nurses, 95 percent of telephone operators and 40 percent of all factory workers.

Schwelienbach said these statistics "are the story of a nation's change, a change in 100 years from a primarily agricultural society to an industrial society, with all of the complications that entails."

The 1940 census showed that cows were milked on about three-fourths of U. S. farms.

## Logs Crush Bus, Alabama Schoolboy Instantly Killed

QUATCHEE, Ala., Feb. 17.—(INS)—One schoolboy was killed, four critically hurt and 65 others miraculously escaped serious injury today when a school bus was crushed in by giant logs following a crash into a logging truck.

Brushing together on a narrow bridge near Quatchee, the truck's load of timbers broke loose and crashed down on the bus, instantly killing Eddie Dee Mitchell, 11.

Critically injured were Christine Mitchell, 9, Dickie Mitchell, 9, William E. Haynes, 11, and Douglas Johnson, 12.

Three others suffered minor injuries.

Highway patrolmen said that Emory Nichols, 32, driver of the logging truck, is being held on a technical charge of manslaughter. Truman Bates, the 18-year-old school bus driver, escaped injury. No charges were lodged against him.

C PAUL FOR DRUGS

This is WISDOM

"They are wisest," says the proverb, "who know when and where to turn for counsel." And how truly that applies in matters of health. At the first suggestion of illness, go to your Doctor. Let him make a careful diagnosis of your condition. Then abide by his wise, experienced counsel. Next, bring his prescription here for compounding.

# Admits Causing Fire Which Took Lives Of Seven

PHILADELPHIA, Feb. 17.—(INS)—A 57-year-old employee of the Volunteers of America pleaded guilty today to involuntary manslaughter and admitted causing a fire which took the lives of seven people.

Judge Clare Gerald Fertey has deferred sentence.

The foreman, Stanley Drust, said he had been drinking the afternoon before the fire started. He smoked a cigarette, he said, and after finishing his smoke he went into a room and fell asleep. He could not remember if he lit another cigarette.

Major Thomas J. Strickland, in charge of the Volunteers of America relief work, testified that Drust had been in the organization's employ for about five years.

"He has always been a good workman," Strickland said.

# JOHNSTON REPLIES TO CHARGES MADE BY REP. C. KEARNS

(Continued from Page One)

assailed the producers and officials of the International Alliance of Theatrical Stage Employees for "creating incidents" which fostered the disputes. The Pennsylvania congressman warned: "Unless you have evidence to the contrary to present to my subcommittee, it is my intention to make a finding of fact that the present labor dispute in Hollywood is the result of a lockout by the employees after having conspired with certain officials of the IATSE to create incidents which would make it impossible for the members of those unions affiliated with the conference of studio unions to continue to work in the studios."

Forty-seven AFL unions are involved in the strike. Kearns, who conducted preliminary hearings in Hollywood, declared: "A careful analysis of the testimony indicates that the jurisdictional strife in the Hollywood studios is probably the result of collusion between the producers and IATSE."

Kearns asserted there was "substantial evidence in the record" that the alleged "conspiracy" was aided by certain members of the AFL Teamsters Union and the Screen Actors Guild. He charged the AFL international leadership with lacking "the power, authority or courage" to halt jurisdictional disputes.

# Deaths Of The Day

Mrs. Gennaro Ginocchi  
Mrs. Anna Maria Ginocchi, aged 67 years, wife of Gennaro Ginocchi, of 1008 Pollock avenue, died in the New Castle hospital, Monday evening at 11 o'clock. She had been ill for quite some time.

Mrs. Ginocchi was born in Baia Latina, Italy, October 18, 1880, daughter of Domenico and Madeleine Bellauda. For the past 28 years she has been in America, residing here. Mrs. Ginocchi was a faithful member of St. Vitus church and of the Mother of Sorrow Society of the church.

In addition to her husband, Gennaro, she leaves two sons, Rev. Fr. Francis Ginocchi, of Mt. St. Peter's church, New Kensington, Pa., and Anthony Ginocchi, at home. Also surviving are two sisters: Mrs. Maria Griego, New Haven, Conn., and Mrs. Vincent Rivelli, of Providence, R. I.

The body is at the DeCarbo funeral home, East Lutton at Cunningham, where friends may call anytime starting this evening.

Solemn requiem high mass in repose of her soul will be offered in St. Vitus church, Friday morning at 9 o'clock. Burial will follow in St. Vitus cemetery.

Mrs. Viola Thomas Kimbro.  
Mrs. Viola Thomas Kimbro, aged 47 years, 22 West Balph avenue, died this morning in the New Castle Hospital, following a lingering illness. Mrs. Kimbro had made her home with Mr. and Mrs. Rufus Bradshaw, Balph avenue, for a short time.

Mrs. Kimbro was born in Richmond, Ga., May 1900, and lived in New Castle for the past 25 years. She was a member of St. John's United Holy Church.

A daughter, Mrs. Louise Hambrick, this city, survives, three grandchildren, and one great grandchild. She also leaves a brother, F. Johnson, of Georgia.

The body is at the J. G. Crunkleton funeral home, 245 West Grant street, where friends may call Thursday evening.

Funeral services will be Friday afternoon at 2 p. m., in St. John's United Holy Church, Rev. G. M. Walker in charge. Burial will be in Grace-land cemetery.

Reale Funeral  
Funeral services for Zaccaria Reale, Moravia street extension, were held this morning at 8:30 o'clock in DeCarbo funeral home, followed by a solemn requiem mass at 9 a. m. in St. Vitus church.

Rev. Fr. Nicholas DeMita was celebrant; Rev. Fr. Albert M. Inteso, deacon, and Rev. Fr. V. Bertolino, sub-deacon. The latter conducted the committal service in St. Vitus church cemetery.

Nephews were pallbearers: Dom Abate, Joseph Abate, Albert Vanassa, Joseph Vanassa, Joseph Pauline, and Chester Holoska.

Chief Petty Officer Bill Costa of the Race Point Coast Guard Station remained on duty at the town pier until after the tide reached its high point and began to ebb. He related:

"The wind moderated, but best of all it changed from south to southwest and saved a lot of damage. The ice had levelled off a lot in the trip across the bay and the ice fields that reached here were only a few feet high."

"It did come right into the harbor and up to shore and the piers but did not pile up enough to do any damage that we can see as yet."

# Logs Crush Bus, Alabama Schoolboy Instantly Killed

OHACHEE, Ala., Feb. 17.—(INS)—One schoolboy was killed, four critically hurt and 65 others miraculously escaped serious injury today when a school bus was crushed in by giant logs following a crash into a logging truck.

Brushing together on a narrow bridge near Ohatchee, the truck's load of timbers broke loose and crashed down on the bus, instantly killing Eddie Dee Mitchell, 11.

Critically injured were Christine Mitchell 9, Dickie Mitchell 9, William E. Haynes, 11, and Douglas Johnson, 12.

Three others suffered minor injuries.

Highway patrolmen said that Emory Nichols, 32, driver of the logging truck, is being held on a technical charge of manslaughter.

Truman Bate, the 18-year-old school bus driver, escaped injury. No charges were lodged against him.

### Woman's Club Hears Imre Kovacs Give Stirring Address Monday

Let George do it is today the most dangerous sentence in America. Imre Kovacs told the Woman's club Monday afternoon when he delivered a deeply stirring address on "The Challenge of Being an American" at a well-attended meeting in the Highland U. P. church. For the trouble is George is anxious to do it and most of us are happy to let him and in our concern lies a threat to our freedom and cherished American way of life, the speaker pointed out in a rousing plea for each one in the audience to "fire paper bullets now" and demand the formation of an international police force under UN this spring.

Let us have more of the bean soup of democracy he urged and ensure the freedom of choice to each individual, the fundamental principle on which our nation was founded. For in countries in Europe under Communist domination, the branch of communism promised brotherhood and equality but has brought only hatred and misery.

However, in the course of his talk, Mrs. Kovacs carefully distinguished between the Russian people and the Communist regime and between Communism based on brotherhood and faith in each other and Communism based on intimidation. As for blundering into war, it is possible but not necessary, Mrs. Kovacs said if we set ourselves to work for a stronger UN and a world federation. Let us not be among those who do little too late, he urged in conclusion. At the close of his talk, Mr. Kovacs, who was introduced by Mrs. T. G. Shreffler, program chairman, answered questions from the audience.

To open the meeting Mrs. H. E. Collier led the group in the pledge of allegiance to the flag. Mrs. J. Edward Everett presided.

A group of three lovely vocal selections by Mrs. Clark McClelland opened the program. She sang "God Shall Guide Us" by Victor Herbert, "Snowflakes" by Cowen, and "Without Your Love" by Sandoval with Mrs. S. Glenn McCracken as accompanist.

During the business meeting, upon a recommendation from the board presented by Mrs. Lynn A. Wygant, the club voted a contribution of \$25 to America Overseas Inc. for children's aid.

Mrs. Irvine A. Ralph reported for the nominating committee and announcement was made that the General Federation of Women's clubs national convention will take place May 24-26 in Portland, Ore. Ways and Means committee reported a fine response to its current project has been received by Mrs. Earl Ruby, chairman, and Mrs. J. W. Monroch, co-chairman.

Members were invited to attend a panel discussion on "Religion" sponsored by the Good Will Council.

to be given in the Castleton ballroom on Tuesday evening, February 24 at 8:30 p. m. An invitation has also been extended to the Brotherhood meeting in Temple Israel at 8:30 this evening to be presented as the program for the New Castle Section National Council of Jewish Women.

Hostesses for the afternoon were Mrs. J. F. Bentz, Mrs. A. N. Berglund, Mrs. Thomas Hitebrook and Mrs. J. P. Nelson.

Next meeting will be March 29 when Dr. Welby Hansinger Elsher, recently returned from China, will be the speaker.

### WASHINGTON TEA TO BE GIVEN FRIDAY

Annual George Washington silver tea sponsored by the mission cabinet of the First Presbyterian church will be given Friday afternoon, February 20, at 2 o'clock in the church.

For several years a Washington Day tea has been an outstanding day in the church calendar for women of the church and their guests to gather for an afternoon of entertainment and fellowship.

Mrs. William J. Caldwell, president of the cabinet and general chairman, has, with the aid of the Methodist Guild, planned a program of music to be presented by the Junior choir under the direction of Mrs. J. L. Paul Friend with Mrs. J. J. Alexander at the piano. Atty. William J. Caldwell, student of the life of George Washington, will be the speaker of the afternoon.

Mrs. Russell Allen of the A. B. D. society, Mrs. Walter Brabham of the Hershey auxiliary and Mrs. Walter Conover of the Helena auxiliary will be in charge of tea arrangements and Mrs. A. A. Welch of the Ladies Aid society, Mrs. Earl Dufford of the Patterson circle and Mrs. Delbert Fletcher of the Westminster guild will act as hostesses for the afternoon.

### JOLLY TEN CLUB HAS VALENTINE PARTY

Members of the Jolly Ten club met recently in the home of Mrs. Charles V. Jones, of 810 South Jefferson street. The occasion took the form of a Valentine party. Various games were enjoyed, and there was group singing.

A delicious lunch was served by the hostess, assisted by her daughter Mary Ann, the table being beautifully decorated with valentine motifs. Prizes for the games were clubed by Mrs. John Cooper, with the club taken going to Mrs. Joe Russo.

"Happy Birthday" was sung for Mrs. Dan DePolo, who was presented with a nice gift from the members.

February 26, is date of next meeting, with Mrs. Dan DePolo, of 8 East Home street.

### YOHO SPEARS CHURCH WEDDING

In the First U. P. church at a pretty wedding solemnized Saturday evening, February 14, at 7:30 o'clock, Miss Jean Louise Yoho, daughter of Mr. and Mrs. John Yoho, of Castlewood, became the bride of Lawrence E. Spears, son of Mr. and Mrs. Ralph D. Spears, of 427 Edgewood avenue.

Rev. J. Calvin Rose, pastor of the Second U. P. church, officiated at the double ring ceremony by candlelight before an altar banked with white gaidoli, palms, and ferns.

Given in marriage by her father, the bride wore a wedding gown of white satin trimmed at the neckline with embroidered satin applique and the full skirt fell below a bustle in back into a long train. Her fingertip veil of illusion fell from a tiara headdress embroidered with beadwork and she carried an arm bouquet of white roses.

Miss Ella Ringer, as maid of honor, wore a gown of pale blue taffeta styled with a bustle back and carried a bouquet of pink roses and iris tied with blue ribbon. Bridesmaids Mrs. Nell Yoho, sister-in-law of the bride, in pale pink taffeta and carrying deep red roses and snapdragons, and Miss Peggy Young, in sea green taffeta, and carrying yellow roses and snapdragons, were groomed similarly to the maid of honor. Both wore beaded headresses to match their bouquets.

Harold Bush served the groom as best man and ushers were William Byers, of Mt. Jackson and Ernest Logan.

Preceding the ceremony Miss Kathryn Newbury, at the organ, played a half-hour recital of appropriate music and Miss Betty Aubel sang "I Love You Truly" and "Blessed Assurance." The bride's prayer at the conclusion of the ceremony, through which organ music resounded softly.

Following the ceremony, the bride and groom received guests at the home of the bride's parents. On the refreshment table a lovely four-tiered wedding cake was featured and Mrs. John Houk, Miss Kathryn Houk, and Mrs. Beverly Phillips were aides.

Mr. and Mrs. Spears left on a wedding trip in undisclosed destination and upon their return will take up residence in their newly furnished apartment at 910 Falkerson street.

Mr. Spears is employed in the district office of the Bell Telephone Company in the Temple building and Mr. Spears, a graduate of Geneva College and Carnegie Institute of Technology, is affiliated with the Pennsylvania Power Company.

### PRIMARY CHILDREN AT VALENTINE FETE

Youngsters of the primary department of the First Congregational church, a group of 20 ranging in age from 1½ years to 6 years, were entertained for a Valentine party Saturday afternoon by Mrs. Miffie Miller, superintendent of the department, in her home, 910 Cunningham avenue. Hours were 2 to 5 o'clock.

Games furnished diversion and donations and favors were carried out entirely in the Valentine motif.

Assisting the hostess were the Misses Linda Loyde and Katherine Spencer who helped with the entertainment and Mrs. Emory Lewis and Mrs. Griff Lewis who aided in serving refreshments at two large tables.

### SCHULTZ-YOUNG BETROTHAL TOLD

Mr. and Mrs. Anton Schultz of 1934 North Cedar street announce the engagement of their daughter, Ruth E. Schultz, to James Norman Young, son of Mr. and Mrs. Clifford Young of H. D. E. Butler road.

Miss Schultz is employed in the office of the American Can company. Her fiancé is attending state police training school and is stationed at Hershey, Pa.

# COLUMBIA GAS SYSTEM IN 1947

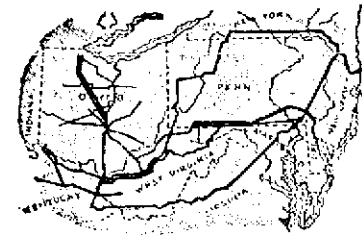

## From The Annual Report of Columbia Gas & Electric Corporation

By most standards, 1947 was a highly successful year for the Columbia Gas System. The subsidiary operating companies delivered more gas to their customers than ever before. Gas earnings reached the highest in history. And more money was distributed in dividends than has been paid for many years.

But while these results were achieved, the System did not escape the inflation that beset most business in this country. Costs were higher, materials hard to get. And because of shortages, we, in turn, were unable to deliver all the gas our customers wanted.

In the months to come, the facilities of this public service will grow. More and more gas from the more than adequate reserves will flow through Columbia's lines.

And because the gas we furnish has become such a vital force in the economic development of the communities we serve, we have an abiding sense of responsibility in bringing a constantly improving service to them.

Columbia serves natural gas to a million homes and businesses in Ohio, Pennsylvania, New York, Kentucky, Virginia, West Virginia and Maryland; and delivers gas to other public utilities in this area which, in turn, sell gas to another 800,000 customers. More gas than ever before was wasted by and delivered to these customers in 1947. There were 26 days in December when the System delivered more than a billion cubic feet a day, and for the year, Columbia delivered a total of 231 billion cubic feet, a gain of 18.3 percent over 1946.

## Society and CLUBS

### Woman's Club Hears Imre Kovacs Give Stirring Address Monday

Let George do it! is today the most dangerous sentence in America, Imre Kovacs told the Woman's club Monday afternoon when he delivered a deeply stirring address on "The Challenge of Being an American" at a well-attended meeting in the Highland U.P. church. For the trouble is George is anxious to do it and most of us are happy to let him and in our unconcern lies a threat to our freedom and cherished American way of life, the speaker pointed out in a rousing plea for each one in the audience to "fire paper bullets now" and demand the formation of an international police force under UN this spring.

Let us have more of the bean soup of democracy he urged and ensure the freedom of choice to each individual, the fundamental principle on which our nation was founded. For in countries in Europe under Communist domination, the borscht of communism promised brotherhood and equality but has brought only hatred and misery.

However, in the course of his talk, Mrs. Kovacs carefully distinguished between the Russian people and the Communist regime and between Communism based on brotherhood and faith in each other and Communism based on intimidation.

As for blundering into war, it is possible but not necessary, Mr. Kovacs said if we set ourselves to work for a stronger UN and a world federation. Let us not be among those who do too little too late, he urged in conclusion. At the close of his talk, Mr. Kovacs, who was introduced by Mrs. T. G. Shreffler, program chairman, answered questions from the audience.

To open the meeting Mrs. H. E. Collier led the group in the pledge of allegiance to the flag. Mrs. J. Edward Everett presided.

A group of three lovely vocal selections by Mrs. Clark McClelland opened the program. She sang "God Shall Guide Us" by Victor Herbert, "Snowflakes" by Cowen and "Without Your Love" by Sandoval with Mrs. S. Glenn McCracken as accompanist.

During the business meeting, upon a recommendation from the board presented by Mrs. Lynn A. Wygant, the club voted a contribution of \$25 to America Overseas Inc. for children's aid.

Mrs. Irvine A. Balph reported for the nominating committee and announcement was made that the General Federation of Women's clubs national convention will take place May 24-28 in Portland, Ore. Ways and Means committee reported a fine response to its current project has been received by Mrs. Earl Ruby, chairman, and Mrs. J. W. Moorehead, co-chairman.

Members were invited to attend a panel discussion on "Religion" sponsored by the Good Will Council.

to be given in the Castleton ballroom on Tuesday evening, February 24 at 8:30 p. m. An invitation has also been extended to the Brotherhood meeting in Temple Israel at 8:30 this evening to be presented as the program for the New Castle Section National Council of Jewish Women.

Hostesses for the afternoon were Mrs. J. F. Rentz, Mrs. A. N. Bergland, Mrs. Thomas Hitecock and Mrs. J. P. Nelson.

Next meeting will be March 29 when Dr. Welthy Hanstinger Fisher, recently returned from China, will be the speaker.

### WASHINGTON TEA TO BE GIVEN FRIDAY

Annual George Washington silver tea sponsored by the missionary cabinet of the First Presbyterian church will be given Friday afternoon, February 20, at 2 o'clock in the church.

For several years a Washington Day tea has been an outstanding day in the church calendar for women of the church and their guests to gather for an afternoon of entertainment and fellowship.

Mrs. William J. Caldwell, president of the cabinet and general chairman, has, with the aid of the McIlvaine Guild, planned a program of music to be presented by the junior choir under the direction of Mrs. L. Paul Friend with Mrs. J. J. Alexander at the piano. Atty. William J. Caldwell, student of the life of George Washington, will be the speaker of the afternoon.

Mrs. Russell Allen of the A. B. D. society, Mrs. Walter Braham of the Hershey auxiliary and Mrs. Walter Conover of the Helena auxiliary will be in charge of tea arrangements and Mrs. A. A. Webb of the Ladies Aid society, Mrs. Earl Dufford of the Patterson circle and Mrs. Delbert Fletcher of the Westminster guild will act as hostesses for the afternoon.

### JOLLY TEN CLUB HAS VALENTINE PARTY

Members of the Jolly Ten club met recently in the home of Mrs. Charles Wendt, 810 South Jefferson street. The occasion took the form of a Valentine party. Various games were enjoyed, and there was group singing.

A delicious lunch was served by the hostess, assisted by her daughter Mary Ann, the table being beautifully decorated with valentine motifs. Prizes for the games were captured by Mrs. John Cooper, with the club token going to Mrs. Joe Russo. "Happy Birthday" was sung for Mrs. Dan DePolo, who was presented with a nice gift from the members.

February 26 is date of next meeting, with Mrs. Dan DePolo, of 9 East Home street.

### MILDRED SKUFKA BETROTHAL TOLD

Mr. and Mrs. A. Skufka of Morris street, R. D. 8, announce the engagement of their daughter, Mildred Skufka, to Lorin Mast, son of Mr. and Mrs. C. Mast, of Barmills, O.

### YOHO-SPEARS CHURCH WEDDING

In the First U.P. church at a pretty wedding solemnized Saturday evening, February 14, at 7:30 o'clock, Miss Jean Louise Yoho, daughter of Mr. and Mrs. John Yoho, of Castlewood, became the bride of Lawrence E. Spears, son of Mr. and Mrs. Ralph D. Spears, of 427 Edgewood avenue.

Rev. J. Calvin Rose, pastor of the Second U.P. church, officiated at the double ring ceremony by candlelight before an altar banked with white gaidoli, palms, and ferns.

Given in marriage by her father, the bride wore a wedding gown of white satin trimmed at the neckline with embroidered satin applique and the full skirt fell below a bustle in back into a long train. Her fingertip veil of illusion fell from a tiara headdress embroidered with beadwork and she carried an arm bouquet of white roses.

Miss Ella Ringer, as maid of honor, wore a gown of pale blue taffeta styled with a bustle back and carried a bouquet of pink roses and iris tied with blue ribbon. Bridesmaids Mrs. Nell Yoho, sister-in-law of the bride, in pale pink taffeta and carrying deep red roses and snapdragons, and Miss Peggy Young, in sea green taffeta, green and carrying yellow roses and snapdragons, were gowned similarly to the maid of honor. Both wore bandeau headresses to match their bouquets.

Harold Pugh served the groom as best man and ushers were William Byers, of Mt. Jackson and Ernest Logan.

Preceding the ceremony Miss Kathryn Newbury, at the organ, played a half-hour recital of appropriate music and Miss Betty Auber sang "I Love You Truly" and "Because" and the Lord's Prayer at the conclusion of the ceremony through which organ music resounded softly.

Following the ceremony, the bridal party received guests at the home of the bride's parents. On the refreshment table a lovely four-tiered wedding cake was featured and Mrs. John Houk, Miss Katherine Houk, and Mrs. Beverly Phillips were aides.

Mr. and Mrs. Spears left on a wedding trip to an undisclosed destination and upon their return will take up residence in their newly furnished apartment at 819 Fulkerson street.

Mrs. Spears is employed in the district office of the Bell Telephone Company in the Temple building and Mr. Spears, a graduate of Geneva College and Carnegie Institute of Technology, is affiliated with the Pennsylvania Power Company.

### PRIMARY CHILDREN AT VALENTINE FETE

Youngsters of the primary department of the First Congregational church, a group of 20 ranging in age from 1 1/2 years to 6 years, were entertained for a valentine party Saturday afternoon by Mrs. Miffin Miller, superintendent of the department, in her home, 810 Cunningham avenue. Hostess were 2 to 5 o'clock.

Games furnished diversion and decorations and favors were carried out entirely in the valentine motif.

Assisting the hostess were the Misses Linda Leyde and Katherine Spencer who helped with the entertainment and Mrs. Emrys Lewis and Mrs. Griffl Lewis who aided in serving refreshments at two large tables.

Master Tommy Martino, of Pittsburgh, was a special guest.

### SCHULTZ-YOUNG BETROTHAL TOLD

Mr. and Mrs. Anton Schultz of 1034 North Cedar street announce the engagement of their daughter, Ruth E. Schultz, to James Norman Young, son of Mr. and Mrs. Clifford Young of R. D. 6, Butler road. Miss Schultz is employed in the office of the American Can company. Her fiancé is attending state police training school and is stationed at Hershey, Pa.

Wedding plans are incomplete.

## COLUMBIA GAS SYSTEM IN 1947

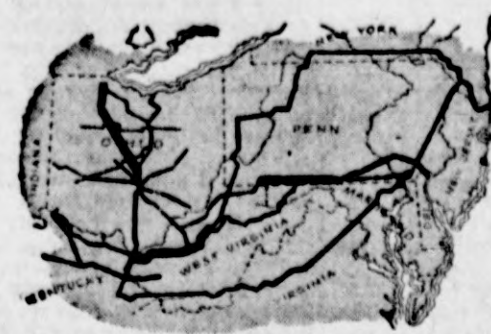

### From The Annual Report of Columbia Gas & Electric Corporation

By most standards, 1947 was a highly successful year for the Columbia Gas System. The subsidiary operating companies delivered more gas to their customers than ever before. Gas earnings reached the highest in history. And more money was distributed in dividends than has been paid for many years.

But while these results were achieved, the System did not escape the inflation that beset most business in this country. Costs were higher, materials hard to get. And because of shortages, we, in turn, were unable to deliver all the gas our customers wanted.

In the months to come, the facilities of this public service will grow. More and more gas from the more than adequate reserves will flow through Columbia's lines.

And because the gas we furnish has become such a vital force in the economic development of the communities we serve, we have an abiding sense of responsibility in bringing a constantly improving service to them.

Columbia serves natural gas to a million homes and businesses in Ohio, Pennsylvania, New York, Kentucky, Virginia, West Virginia and Maryland; and delivers gas to other public utilities in this area which, in turn, sell gas to another 800,000 customers.

More gas than ever before was wanted by and delivered to these customers in 1947. There were 26 days in December when the System delivered more than a billion cubic feet a day, and for the year, Columbia delivered a total of 231 billion cubic feet, a gain of 18.5 per cent over 1946.

## In View Of News Of The World

By J. C. Oestreicher, INS Foreign Director

Some definite steps toward enlargement of the Anglo-American economic zone in Germany to embrace the rich productive regions occupied by France may be expected this week.

Delegates of Great Britain, the United States and France are to meet in London to discuss Germany's future.

Three Major Considerations

There are three major considerations:

1—The formal proclamation establishing a German administration under Anglo-American military control in Frankfurt.

2—A Soviet decree granting heightened powers to German officials in their own sector of eastern Germany.

3—The beginning of a Soviet press attack against Gen. Joseph Pierre Koenig, chief of the French military mission in occupied Germany.

At first glance, the last of these three items would appear to be an unimportant superficial one.

But the exact contrary may prove to be the case. For this sort of Russian criticism may be all that is needed to remove lingering French doubts over the wisdom of joining with Britain and America in trizonal administration of their part of the defeated Reich.

French Resentment

The French are traditionally swift to react to aspersions upon their honesty and sincerity.

Soviet-controlled newspapers in Berlin have begun to call Koenig a "tool of the western powers."

It is entirely likely that Koenig greatly resents this. He always has been a man with great independence of spirit—acquired first in the French Foreign Legion and cultivated carefully in the crucible of two world wars.

The late Field Marshall Erwin Rommel has an undisputed admiration for Koenig. The hard-bitten Nazi desert warrior remembered until his last unlamented day how

Koenig and a handful of men held out for almost a month against virtually the whole Afrika Korps at Bir Hakeim in the Libyan desert.

Plays Lone Hand

Koenig has played more or less a lone hand in western Germany, a fact that has been a point of dismay to Gen. Lucius D. Clay and the British Commander Lieut. Sir Brian Robertson. There are critics who say that France has kept her part of Germany going full blast but has shipped all the products back home instead of aiding any semblance of German recovery.

It is true that Koenig like most Frenchmen is dead set against a centralized Germany that again might become a war menace. But there have been signs of increasing cooperation with the United States and Great Britain.

And by their maladroitness, the Soviets might very well "needle" Koenig into doing exactly what they do not want him to do.

At first glance, the last of these three items would appear to be an unimportant superficial one.

## The Parent Problem

By Garry C. Myers, Ph. D.

## READ TO THE YOUNG CHILD

Often I have urged parents to read to the young child, beginning as soon as he will look at a picture for a few moments at a stretch. Thanks to the pictures, story reading can begin much earlier than story telling.

There is some one who can read to practically every baby and tot. The child usually hears far better language in the story read than in the story told. Reading tends to calm and quiet the child. It affords good companionship and is a boon to busy sitters.

Helps The Child

Reading helps the child connect what he hears with the book, cultivates in him a tenderness toward books, makes him wish to learn to read, and stimulates his interest in reading rather than in mere words. It is about the best possible means of fostering good habits of concentration in the baby and young child. It gives the child a vast deal of happiness, makes the reader enjoy the child and helps improve his own ease and forcefulness of speech.

Today I wish to present two types of cases in which the child should profit greatly from being read to; one case in which the child uses incorrect sounds for certain letters and letter combinations, the other in which the child speaks in single words or phrases.

The first case is of a boy five.

Some of his word difficulties are: "pete" for street, "bake" for break, "titty" for kitty, "bash" for smash. The beginning of his words seem to be his trouble.

Reading of nursery rhymes and poems, slowly and distinctly with emphasis on the words of singular troublesome sounds should be very helpful to this child. Any mother can easily select rhymes including the strategic words or sounds for frequent repetition without the child's knowing her purpose.

A Boy Of Four

The second case is of a boy four, who is causing his parents concern "because of his lack of ability, or desire, to carry on a conversation. He knows and uses hundreds of words, mostly nouns and verbs, separately or in short phrases. For instance, instead of saying, "Daddy, put on my bib," he says, "Daddy, bib."

Hearing over and over with pleasure certain rhymes and folktales, this child may incline to repeat whole sentences in his imagination, even aloud. Certainly he will be exposed to sentence-patterns. In this case the mother was advised to urge the child to converse not to ask him to repeat a correction.

Both children should have their hearing tested by an expert. With both children the parents should talk (distinctly) a great deal about what the child is doing or about what is being done for him. Both children should spend considerable time at play with other children. My bulletin, "The Young Child's Speech" may be had in a stamped envelope by writing me at 235 East 45th street, New York, N. Y.

Senator Taft says that the reason Mr. Eccles was deprived of the Chairmanship of the Federal Reserve by President Truman is that Mr. Eccles recommended that spending be cut down. Curtailing expenditure, especially Federal expenditure surely is foreign to the New Deal.

Perhaps it is an erroneous impression, but it seems to many old-timers that people today worry more about the weather than was the case a generation ago. Newspapers, radio, weather man and individuals are more concerned because the temperature rises or drops, with or without an accompaniment of snow, rain, hail, sleet or tornado.

Before the days of the automobile, electricity, automatic heat, etc., people were less concerned about atmospheric conditions than is the case in this mechanized age. If the woodbox had a plentiful supply of fuel, there was oil for the lamps and a ham or two hung in the cellar, it made little difference what went on meteorologically speaking.

Oh, well, the weather gives people something to talk about, no matter how corny it sounds.

## Taft Foresaw Market Slump

WASHINGTON, Feb. 17.—All the economic prognosticators, both amateur and professional, have now had a shot at explaining the slump in the markets. So have the politicians who tailor the facts to suit their own purposes.

After much study and pondering within the president's council of economic advisers, the conclusion has been reached that the situation is still fundamentally sound. But having uttered that phrase, or an approximation of it, the president's economic seers realized that it had an unhappily familiar ring. It was what unhappy Herbert Hoover began to say in 1930.

Fundamentally Sound

Nevertheless, the council does believe the situation is fundamentally sound. There is not the slightest reason, in fact or logic, for a depression.

Unsatisfied demand is still great for everything produced by industry and the farmer. Income remains, up to the present moment, at a phenomenally high level and unemployment is correspondingly low. There is a vast store of public projects that are essential and they can be pushed when and if prices drop on necessary materials.

When they have said this much, however, the president's experts add one or two reservations. There is the fact that firms are running out of their own money to pay for expansion. Will they seek outside capital and, if they do seek it, will it be forthcoming? On the an-

swer to this double-barreled question a great deal may turn.

The second precaution has to do with the American temperament. Americans have a low emotional boiling point. The word the experts use in their discussions is "volatile," which the college standard dictionary defines as "easily influenced, fickle, changeable."

Boiling Point Is Low

The boiling-point is particularly low in an election year. Charges fly back and forth, as they have in the controversy over who shot down the high-price balloon. Politics, so far as the economic high priests can discover, had little to do with the slump.

The investigation into speculation in the commodity markets may have had the effect of scaring people into getting out. Thereby the backlog of money to support the market may have been reduced. But one factor alone—better crop reports from around the world—could explain what happened.

The only person I know of who seems to have understood that something was about to happen is Senator Robert A. Taft. This column owes Senator Taft an apology for jeering at the statement he made before a Republican policy session suggesting that commodity prices were beginning to level off.

Prices Went Down

What happened could hardly be described as leveling off, but no one can dispute that prices went down. How Taft knew this would happen is something else again. For many of his colleagues who heard his statement in January were skeptical or contemptuous. While it was obvious that spiraling prices would eventually produce a break, most of the prophets had foreseen a continuing rise until June.

If the break proves to be no more than a "corrective recession," then it will be a healthy thing. Lower prices would mean a far healthier economy. Prices are particularly important in relation to housing. Should building prices go on climbing, then prospective buyers will be forced out of the market, no matter how desperate their need for a place to live. This one factor alone might decide whether it is to be recession or depression.

WASHINGTON—General Dwight D. Eisenhower in his final report as chief of staff. "U. S. defense measures are inadequate in the current period when there is no real assurance of peace. We will need one million 300 thousand men to hold bases on which depends the defense of America."

NEW YORK—Adolph A. Berle, Jr., chairman of the Liberal party of New York. "While the whole world is in pain and the country in danger, minor politicians merely squabble for petty patronage."

WASHINGTON—Sen. Cain, chairman of Special Senate Rent Subcommittee. "I don't see how we can drop rent controls after March 31, no matter what condition the market is in. A drop in the market does not increase the number of housing units."

NEW YORK—Paul Porter, former OPA administrator, in a radio broadcast: "Huzzahs and hallelujahs about decline are premature. What goes down can go back up. If the price break fortells the bust that follows the boom, it could result in an old fashioned depression."

## Gets New Ideas In St. Louis

By PAUL CALICO

ST. LOUIS, Feb. 17.—Travel is unquestionably broadening and my brief visit to this fabulously growing city has already provided me with a handful of notes to feed into the insatiable maw of a daily column. For this, my blessings on St. Louis!

Checking my records I note my last visit here was in 1934 to attend the ceremonies incidental to the Detroit Tigers and the St. Louis Cardinals squabbling over possession of a piece of bunting. The St. Louisans, affectionately known as the "Gas House Gang," got it, but not before pop bottles had flown and considerable ceremony had developed.

Well, as I was about to say, I never would have recognized the city. It has grown so big and purty.

Phones From Taxicab

So, anyway, we were riding in this cab on our way out to one of these big hotels on the other side of town and there was a young and obviously ex-G. I. driving it, easing her along down one of those broad boulevards, when all of a sudden the guy picks up a telephone hung onto the dashboard and calls a number, and what is more, gets it the first time and I can hear the voice at the other end saying "Hello," and he says, "Hello, Mrs. Umphreysmithing?" This is Joe Schmo. Will you please go and wake up Bill Dokes, my relief. He's due on the car in an hour.

Then he turns around to me and explains that he is calling the landlady to get his relief driver out of bed. Well, the landlady goes, only she leaves the phone off the hook and he can't get the operator back and it is costing him about two bits a minute, causing him to curse the landlady with spectacular fluency, and all in all I am poy-eyed with admiration.

New York Doesn't Have Them

Not that I haven't heard of radio telephones in automobiles, but the point is that OUR cabs in New York haven't got 'em, and while our hackies can swear very good when their attention is concentrated on it, I never heard one who can match this St. Louis boy for energy, originality and directed articulation.

Later, we are in another cab, approaching the Chase Hotel and the guy picks up his telephone and says, "Approaching the Chase Hotel with a party. Have you anything for me?" and the dispatcher answers back, "Yes, pick up a Mr. Schnauzenhausen at the Chase to go to Union Station. That is all," and I say to myself, "Well, brothers, we can learn something from St. Louis all right, and we're supposed to be such a hot-shot, up-to-the-minute city."

Party Is Gratifying

We went to one of the big hotels for a midnight snack and to see the show and there encountered a sweet and singularly moving party going on. The girls, members of the graduating class of Maryville College were taking out their fathers on a dinner and dancing date. They were in formal evening attire, the girls prettier than the late Mr. Ziegfeld's line,

## Relief Load In State Increasing, Figures Reveal

Report For January Shows 6,348 Persons Added During Month, Expenditures Jump

HARRISBURG, Feb. 17.—(INS)—The State Public Assistance Department has reported that the 6,348 persons added to relief rolls during January boosted the overall burden to 304,711 indigents.

In its regular monthly recapitulation, the DPA said that during January general assistance rolls increased 4,237 persons, aid to dependent children went to 2,460 persons while one blind pensioner was added.

Offsetting the increase in the three programs was a decrease of 270 persons on old age assistance rolls. The department attributed the decline to "the usual high winter death rate."

**Increase Shown**  
Expenditures during the month were approximately \$7,830,000, the DPA added, an increase of \$203,000 over the previous month.

"A rise in total public dependence normally occurs at this time of year as a result of post-Christmas layoffs and increased cold weather needs," the department explained. "This year's extremely cold January weather not only accentuated the needs of people barely managing to get along, but also caused a severe fuel shortage which curtailed production and caused extensive layoffs."

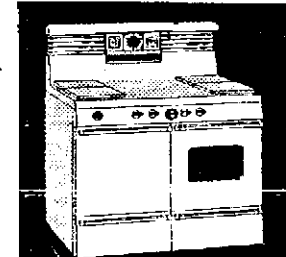

Aid to dependent children and general assistance rolls particularly reflected "employment losses," the DPA added.

## Martin Denies Any Split With Duff On Marshall Plan

Senator Denies Any Substantial Difference With Governor Over Aid Plan

WASHINGTON, Feb. 17.—(INS)—Sen. Martin (R) Pa. denied today that there is any substantial difference between himself and Pennsylvania Gov. James H. Duff over the Marshall plan.

Their difference, he said, concerns the question of whether a separate commission should handle the reconstruction features of the program, or whether all should be left to the State department.

In response to a query about a rumored split between them over the issue, Martin said:

"I have read with deep interest Governor Duff's brilliant address in Philadelphia in which he presented his views on the European recovery plan clearly and forcefully."

"I believe an examination of his complete text and the complete text of my speech in Chicago last Tuesday will show that Governor Duff and myself are in agreement over the broad humanitarian and economic objectives of the Marshall plan for rehabilitating western Europe."

In his Chicago speech Martin called for a commission of "hard-headed business men" to handle the reconstruction program, and declared that he was not willing to rely on the State department to spend the money wisely.

In his Philadelphia speech Duff advocated allowing Secretary Marshall and the State department handle the whole program, both relief and reconstruction.

## Secretary Marshall Gives Endorsement

WASHINGTON, Feb. 17.—(INS)—Secretary of State Marshall made an unscheduled appearance before an Agricultural Extension association meeting today to give his endorsement to the work they are doing as part of the United Nations educational, scientific and cultural organization.

The group is holding a two-day seminar to meet charges made by countries "behind the iron curtain" that "American cultural imperialism" is riding roughshod over the nations of the world.

Marshall spoke extemporaneously to the commission, composed of about 100 prominent American leaders as its members settled down to work. Noting that "grave problems" face the world, Marshall said: "My heart is in what you are trying to do."

## Wild Dogs Hurt Animals, Game Officials Hear

BEAUFORTE, Pa., Feb. 17.—(INS)—Decks of wild dogs are running wild in the woods of Centre County, killing deer and other game animals, and game birds, sportsmen's clubs have reported to state game officials.

Recently a young buck, which became frenzied while being chased by the dogs, crashed into the side of the Methodist parsonage of the Rev. Marcus W. Randall, in Pleasant Gap.

Thomas Mosier, county game protector, had to kill the deer when it was determined it had broken its back.

Mosier warned dog-owners not to allow their dogs to run at large, and said sportsmen would make an effort to kill off dogs found chasing wild game.

Gen. MacArthur's Letter On Japan Read In Senate

WASHINGTON, Feb. 17.—(INS)—Gen. Douglas MacArthur said in a letter made public today that if Japanese wealth concentrations are not "redistributed peacefully" there will be a "cleansing" through a "blood bath of revolutionary violence."

Sen. McMahon (D) Conn., read Gen. MacArthur's letter in the Senate in reply to criticism last month by Sen. Knowland (R) Cal., that the far eastern commander is promoting socialism in Japan.

The supreme Allied commander in Japan pointed out that his responsibility is "limited to executive implementation of basic decisions" and that "I am hardly in a position 10,000 miles away to participate in the debate."

## Martin Denies Any Split With Duff On Marshall Plan

Senator Denies Any Substantial Difference With Governor Over Aid Plan

WASHINGTON, Feb. 17.—(INS)—Sen. Martin (R) Pa. denied today that there is any substantial difference between himself and Pennsylvania Gov. James H. Duff over the Marshall plan.

Their difference, he said, concerns the question of whether a separate commission should handle the reconstruction features of the program, or whether all should be left to the State department.

In response to a query about a rumored split between them over the issue, Martin said: "I have read with deep interest Governor Duff's brilliant address in Philadelphia in which he presented his views on the European recovery plan clearly and forcefully."

"I believe an examination of his complete text and the complete text of my speech in Chicago last Tuesday will show that Governor Duff and myself are in agreement over the broad humanitarian and economic objectives of the Marshall plan for rehabilitating western Europe."

In his Chicago speech Martin called for a commission of "hard-headed business men" to handle the reconstruction program, and declared that he was not willing to rely on the State department to spend the money wisely.

In his Philadelphia speech Duff advocated allowing Secretary Marshall and the State department handle the whole program, both relief and reconstruction.

Basket-like containers, into which burning pieces of wood were thrown, were used for lighting during the Renaissance.

## Senior Extension Club Will Gather

Young People Of County Will Have Meeting At East Brook On Wednesday Evening

Wednesday evening there will be another meeting of the Lawrence County Senior Extension club, to which all rural young people have been invited to attend, in the East Brook high school, starting at 8:15 p. m.

James Keim of Penn State college will speak on agricultural conditions in Italy, where he spent some time with the armed forces.

A group of young people from the eastern part of the county, headed by Miss Lillian Martin of Harlansburg, will provide entertainment and recreation.

## Corn Production To Be Discussed

Types Of Corn Suitable For Growing In Lawrence Co. And Other Conditions To Be Discussed

Thursday afternoon at 1:30 o'clock a meeting has been arranged by the Lawrence County Agricultural Extension association on corn production, which will take place in East Brook high school.

Frank Bamer, extension specialist, from Penn State college, will discuss corn production in general and the types of corn, including hybrids, best suited for Lawrence county, as well as cultural methods.

This meeting is open to all farmers interested.

## Soil Fertility To Be Discussed

Penn State College Specialist Will Discuss Soil Elements And How Plants Use Them

Thursday evening at 8:15 o'clock the third in a series of soil fertility meetings, arranged by the Lawrence County Agricultural Extension association, will take place in the court house here.

Frank Bamer of Penn State college will be the speaker. He will tell of the various fertility elements in the soil and how plants use them. This meeting is open to the public.

## Secretary Marshall Gives Endorsement

WASHINGTON, Feb. 17.—(INS)—Secretary of State Marshall made an unscheduled appearance before the American commission meeting today to give his endorsement to the work they are doing as part of the United Nations educational, scientific and cultural organization.

The group is holding a two-day seminar to meet charges made by countries "behind the iron curtain" that "American cultural imperialism" is riding roughshod over the nations of the world.

Marshall spoke extemporaneously to the commission, composed of about 100 prominent American leaders as its members settled down to work. Noting that "grave problems" face the world, Marshall said: "My heart is in what you are trying to do."

## Wild Dogs Hurt Animals, Game Officials Hear

BELLEFOUNTE, Pa., Feb. 17 (INS)—Packs of wild dogs are running wild in the woods of Centre County, killing deer and other game animals, and game birds, sportsmen's clubs have reported to state game officials.

Recently a young buck, which became frenzied while being chased by the dogs, crashed into the side of the Methodist parsonage of the Rev. Marcus W. Randall, in Pleasant Gap.

Thomas Mosier, county game protector, had to kill the deer when it was determined it had broken its back.

Mosier warned dog-owners not to allow their dogs to run at large, and said sportsmen would make an effort to kill off dogs found chasing wild game.

## Gen. MacArthur's Letter On Japan Read In Senate

WASHINGTON, Feb. 17.—(INS)—Gen. Douglas MacArthur said in a letter made public today that if Japanese wealth concentrations are not "redistributed peacefully" there will be a "cleansing" through a "blood bath of revolutionary violence."

Sen. McMahon (D) Conn., read Gen. MacArthur's letter in the Senate in reply to criticism last month by Sen. Knowland (R) Cal., that the far eastern commission is promoting socialism in Japan.

The supreme Allied commander in Japan pointed out that his responsibility is "limited to executive implementation of basic decisions" and that "I am hardly in a position 10,000 miles away to participate in the debate."

## Probe Finding Of Man In Ohio River

ALTIQUIPPA, Pa., Feb. 17.—(INS)—Police today were investigating the possibility of murder after recovering the body of a man from the Ohio river at Aliquippa.

County detectives said that an autopsy revealed no water in the dead man's lungs, which could mean he was either dead or unconscious when he entered the water.

There were cuts on the dead man's forehead and chin and two upper front teeth were missing, state police reported.

At the home of Mr. and Mrs. Clyde Reed, of East New Castle, the fourteenth birthday anniversary of their twin daughters, June and Jean Reed, was celebrated on Saturday afternoon. A group of friends and schoolmates gathered in the home for the occasion.

The afternoon was spent playing games and contests. Prizes were awarded to Karen Guckeyson, Peggy Moore, Donna Smith, Helen Collier, Angelina Morone, and Mary Lou Miller.

Delicious refreshments were served by the hostess, the table being graced with a large birthday cake.

The honored guests were the recipients of many lovely gifts.

## W.B.A. REVIEW 98 WILL HAVE RALLY

Women's Benefit Association Review No. 98 met Monday evening in the L. O. F. hall for a regular meeting with Mrs. Clara Fisher presiding, when it was announced that plans have been made by Mrs. Ethel Thomas, district deputy, for a district rally on June 7.

As a highlight, Mrs. Helen McKinley was presented with a most president's pin by Mrs. Nell Knox. Balance of the evening was spent socially with a lunch served by a committee, Mrs. Charlotte McCullough and Mrs. Grace Bannister.

Next regular meeting will be March 1 in the L. O. F. hall.

## HOME ECONOMICS COUNCIL PROGRAM

Council of Home Economics Women was entertained for its February program in the home of Mrs. James Bradford, Walmo, Monday evening, with Mrs. Frank Elliott and Miss Ann Scott as co-hostesses.

The group heard as speaker Carl E. Oelshneider, of the New Castle Jeweler's Training school, who gave a talk on "Jewelry".

Next meeting will be Monday, March 15, when Miss Marcia Scott will demonstrate the making of slipcovers. Afterwards the group will go to a downtown dairy bar for refreshments.

Mrs. Fred Taylor, Mrs. Roy Williams, and Mrs. Thomas Sadler are hostesses.

## W. I. T. Y. Club

## Harlansburg P.T.A.

Harlansburg Parent-Teachers association will gather Thursday evening, February 19, at 8:15 o'clock in the Harlansburg school building.

The program will open with a roll call being responded with "How I Met My Husband or Wife". Skits on the life of Washington and Lincoln will be presented. The new visual aid machine of the school will be demonstrated by Principal Stunkard. During the evening a valentine exchange will take place.

Lunch will be served by the social committee to conclude the evening.

## County Council Meets

Lawrence County Council met on Monday evening in the Y. W. C. A. for the regular monthly meeting with Mrs. Horace Allen, president, opening the meeting.

John Cornelius, principal of Oak street, was introduced. He explained the uses of the tachistoscope recently purchased by the P. T. A. It has been highly successful in training children to be better readers. The machine can also be used in most every subject taught in our schools. Miss Cooper then demonstrated the machine.

She conducted a class as she would in school to show the group how children learn to recognize words, phrases and finally sentences at a flash on the screen. It was most interesting and instructive.

Mrs. Allen presented Mrs. McCluskey, program chairman for Clonmore unit who was in charge of the program. A duet, "Now Is the Hour" was sung by Mrs. Jenkins and Mariella Reynolds. Miss Carol Young gave two excellent readings, "Betty at the Baseball Game" and "What's His Name?"

The next number was a tap dance by Mary Lou Thomas and in closing, Mrs. Jenkins and Mariella Reynolds sang, "Serenade of the Bells". Mrs. Robinson accompanied the musical numbers.

A short business meeting followed, with Mrs. Allen announcing that five Lawrence County units had been awarded the gold leaf awards for membership, these being, Clonmore, North Mahoning, New Bedford, Oak street and Slippery Rock. The southwest district convention was announced for Pittsburgh on May 8 and the national convention in Cleveland on May 24 to 26.

The meeting was adjourned until March 15.

### TO EXTEND CONTROLS

WASHINGTON, Feb. 17.—(INS)—The senate banking committee today unanimously approved a bill to extend export-import controls over tin, antimony, quinine and fats and oils to June 30, 1949.

The house banking committee voted yesterday to continue the controls for 30 days beyond their Feb. 29 expiration date.

The area of Japan proper, including the islands of Honshu, Shikoku, Kyushu, and Hokkaido, is less than that of the state of California. The Japanese islands cover 147,707 square miles.

## It isn't what you pay—it's what you get!

If you had to pay a million bucks for that baby of yours, you'd still be getting a bargain.

And you don't get many other bargains these days of high costs. Except electricity, of course!

Yes, electricity goes right on being the biggest bargain in anybody's budget. The average family is still getting twice as much electric service for its money as it got 20 years ago!

One penny will light a 100-watt bulb for almost 3 hours. Or whisk clean 3 tubs of washing! Or run a radio a whole evening! That little copper will vacuum clean 6 large rugs, run your refrigerator for 5 hours, or tell you the correct time for about a week.

It isn't what you pay, it's what you get, that's true. And when you buy electricity, you get a lot—for a little!

## Parent-Teachers

Union P. T. A. Union township Parent-Teachers Association has postponed the regular monthly meeting from Feb. 17 to Wednesday, Feb. 25, at 8, when the regular meeting will be followed by a short program and box social. The boxes will be auctioned by Henry Grizzle.

### Harlansburg P.T.A.

Harlansburg Parent-Teachers association will gather Thursday evening, February 19, at 8:15 o'clock in the Harlansburg school building.

### Harlansburg Group

The Harlansburg P.T.A. will meet on Thursday evening, February 19, in the Scott township school building with Mrs. J. C. Morrow in charge.

The program will open with a roll call being responded with "How I Met My Husband or Wife". Skits on the life of Washington and Lincoln will be presented. The new visual aid machine of the school will be demonstrated by Principal Stunkard. During the evening a valentine exchange will take place.

Lunch will be served by the social committee to conclude the evening.

### County Council Meets

Lawrence County Council met on Monday evening in the Y. W. C. A. for the regular monthly meeting with Mrs. Horace Allen, president, opening the meeting.

John Cornelius, principal of Oak street, was introduced. He explained the uses of the tachistoscope recently purchased by the P. T. A. It has been highly successful in training children to be better readers. The machine can also be used in most every subject taught in our schools. Miss Cooper then demonstrated the machine. She conducted a class as she would in school to show the group how children learn to recognize words, phrases and finally sentences at a flash on the screen. It was most interesting and instructive.

Mrs. Allen presented Mrs. McCuskey, program chairman for the month of March. Mrs. McCuskey is in charge of the program. A duet, "Now Is the Hour" was sung by Mrs. Jenkins and Mariella Reynolds. Miss Carol Young gave two excellent readings, "Betty at the Baseball Game" and "What's His Name?"

The next number was a tap dance by Mary Lou Thomas and in closing, Mrs. Jenkins and Mariella Reynolds sang "Serenade of the Bells". Mrs. Robinson accompanied the musical numbers.

A short business meeting followed, with Mrs. Allen announcing that five Lawrence County units had been awarded the gold leaf awards for membership, these being: Glenmore, North Mahoning, New Bedford, Oak street and Slippery Rock. The southwest district convention was announced for Pittsburgh on May 8 and the national convention in Cleveland on May 24 to 26.

The meeting was adjourned until March 15.

## Y.M.C.A. NOTES

### HI-Y CLUB MEETS

The newly formed Ben Franklin Jr. Hi Y Club met Monday evening and elected officers. Frank Patterson was named President, Don Strobel, Vice President, Reggie Thompson, Sec-Treas., and Bill Dunlap Chaplain. Plans were made for forming a basketball team and a swimming team. The next meeting will be held on March 1st when basketball try-out will be held.

### TO EXTEND CONTROLS

WASHINGTON, Feb. 17.—(INS)—The senate banking committee today unanimously approved a bill to extend export-import controls over tin, antimony, quinine and fats and oils to June 30, 1949.

The house banking committee voted yesterday to continue the controls for 30 days beyond their Feb. 29 expiration date.

The area of Japan proper, including the islands of Honshu, Shikoku, Kyushu, and Hokkaido, is less than that of the state of California. The Japanese islands cover 147,707 square miles.

## It isn't what you pay—it's what you get!

If you had to pay a million bucks for that baby of yours, you'd still be getting a bargain.

And you don't get many other bargains these days of high costs. Except electricity, of course!

Yes, electricity goes right on being the biggest bargain in anybody's budget. The average family is still getting twice as much electric service for its money as it got 20 years ago!

One penny will light a 100-watt bulb for almost 3 hours. Or whisk clean 3 tubs of washing! Or run a radio a whole evening! That little copper will vacuum clean 6 large rugs, run your refrigerator for 5 hours, or tell you the correct time for about a week.

It isn't what you pay. It's what you get, that's true. And when you buy electricity, you get a lot—for a little!

ONE HOUR LATER. New time for the Electric Hour—The Hour of Cheaps. Sundays, 6:30 P. M., EST, CBS.

Spiritualist Church of Truth, McGoun hall, 215½ East Washington street, Wednesday service, 8 p. m., sermon by Rev. A. E. Guthrie, "The Transmitted Light"; music by Mrs. A. B. Stevens.

### Castlewood Holiness Mission

Cottage prayer service of Castlewood Holiness Mission will be conducted this evening at 7:30 o'clock in the home of Mrs. Amelia Newton, Castlewood.

### First Presbyterian

The Patterson Auxiliary will meet this evening at 6:30 o'clock in the dining room for the annual dinner. The Ways and Means Committee will be the hostesses. Mrs.

Goldie Koonce will lead the devotions. A book review will be given by Mrs. Frank Orth.

The McIlvaine Guild will meet this evening at 8 o'clock in the home of Miss Jean McClure, 220 Lincoln avenue. The assisting hostesses are Mrs. Craig McBunney, Mrs. Robert McBunney, Miss Bertha Jinks and Mrs. Kenneth McClure.

Here's another novel idea for a lighted centerpiece to grace your Christmas table. Arrange a string of colored Christmas tree lights on a large table mirror. Pile high with gay Christmas balls and circle with holly, evergreen, or smilax.

## Estimates Britain Owes United States \$4,235,000,000

(BULLETIN)

LONDON, Feb. 17.—(INS)—Sir Stafford Cripps estimated today that Great Britain's total debt to the United States—not including any obligations remaining from World War I—is 1,059,000,000 pounds sterling, or approximately \$4,235,000,000.

The chancellor of the exchequer made the estimate in reply to a question in the House of Commons.

He said the estimated amount was computed as of Dec. 31.

## Says Lobbyists Sought Foreign Aid Support

By RAYMOND WILCOVE  
(U.S. Staff Correspondent)

WASHINGTON, Feb. 17.—Rep. Stefan (R) Nebraska, chairman of the House Appropriations Subcommittee on the State Department, charged that foreign lobbyists approached him in an effort to obtain his support for grants and loans to their governments.

The Congressman declined to identify the lobbyists or the expenditures on whose behalf they appeared, but said they stopped coming to his office "when I told them they were out of bounds."

Stefan added that he advised them that "I preferred to work through their governments" through official diplomatic channels. He did not say when the incident occurred.

### Not Registered

The Nebraska said the lobbyists who sought his aid in obtaining funds from Congress for foreign aid were not registered with Congress or with the State Department.

"There are a lot of foreign people who come to the offices of Congressmen and lobby for funds for their countries. Many of them also travel throughout the country lecturing before various bodies. In my opinion, some of them are pretty much on the iron curtain side."

"How many thousands of these foreigners are lobbying that we know nothing about? How far

would I get if I went to Russia and tried to tell them what to do?" Stefan continued:

### Lobbying Openly

"In addition to the diplomatic personnel, many thousands of persons are here from other countries as lobbyists and 'observers.' Those who are openly lobbying recently were required to register as lobbyists with the Department of Justice."

"But the list by no means includes all foreign people who are lobbying. Many are in Washington as 'tourists,' 'lecturers,' and 'students,' but actually function as lobbyists for foreign interests."

Stefan's subcommittee initially handles all requests for funds for the State Department and the Foreign Service. He is also a member of the deficiencies subcommittee which will first determine how much will be appropriated for the Marshall Plan.

The Congressman suggested that immigration authorities review their visitors' visas to determine "how many of these people are in the country."

## Ten Million More Eligible To Vote

WASHINGTON, Feb. 17.—There will be at least 10,000,000 more people eligible to vote in this year's presidential election than in 1940, the Census Bureau estimates.

It calculated there will be 93,941,000 persons over 21 alive in the United States next November—47,760,000 women and 46,181,000 men. There were 83,998,629 persons of voting age in 1940, the bureau said, but only 49,815,312 voted.

## Hurls Criticism At Army Spending

Purchase Of 161,172 Chairs For Officers' Is Particular Item Under Attack

WASHINGTON, Feb. 17.—(INS)—Rep. Engel (R) Michigan, renewed his criticism of the army's purchasing policies with a charge that the War Department almost overpaid two and a half million dollars for chairs for officers.

In a prepared statement, the chairman of the House Appropriations Subcommittee for the Armed Services reported that the purchase of 161,172 chairs for more than twice as much as necessary as halted only after his protest.

Engel attacked the army's procurement specification as causing needless extravagance. He commented:

"When I read the specifications I wondered whether they were making a chair for an elephant circus or for officers' quarters."

The Michigan Congressman told the House that the Army had agreed to accept a bid for \$26 for each chair even though a Pennsylvania firm offered to furnish a similar chair at an average price of \$12.75 each. He declared:

"The War Department was going to purchase under the original specifications 161,172 chairs at an average price of \$26 and for a total of \$4,230,472 and had I not protested the contract undoubtedly would have been signed."

He said the department later purchased the chairs for \$9.45 apiece for a total of \$1,523,075. He credited Rep. Dirksen (R) Ill., and the Aluminum Cooking Utensil Co., of Kensington, Pa., for bringing the story of the army chairs to light.

## State Milk Dealers Are In Session At Harrisburg Today

HARRISBURG, Feb. 17.—(INS)—Approximately 400 milk dealers today opened the two-day 16th annual convention of the Pennsylvania Association of Milk Dealers in Harrisburg.

Political and labor-management relations and legal problems were slated for discussion at today's session. M. H. Brightman, executive secretary of the dairy industry committee, Washington, D. C., will address the closing meeting on a "long range" milk program for Pennsylvania.

Not Much Change  
Benjamin G. Eynon, of Harrisburg, president of the Pennsylvania Association of Milk Dealers, told members that 80 per cent of the money spent by consumers for milk "goes to the dairy farmer and for wages paid for labor."

He said dealers buy milk from 52,548 dairy farmers employing 28,004 persons; the annual payroll exceeds 75 million dollars.

"Despite misleading statements, some of which have appeared in the press," Eynon said, "the price of milk has not changed in most areas of the state since last July."

"Milk is still the cheapest of all foods and has increased only half as much as other food products," he added.

## Two Women Killed In Auto Crashes

SHARON, Pa., Feb. 17.—Mrs. Philip Klein, 24, a bride of six weeks, died Monday in Baltimore, the victim of an automobile collision in which her husband and four others were hurt.

Another woman also was killed in another traffic accident across the state line near Kinsman, Ohio, Monday. She was Mrs. Sue Silverling, 21, of Hubbard, O., a passenger in a car driven by John Hanth, 21, of Sharon, an employee of the Stanton Hotel in Farrell. The car hit a culvert.

Mrs. Klein and her husband were injured Saturday night.

About nine pounds of plastic parts are used in a modern passenger automobile.

## Power Company Files New Tariff

 Changes, Additions And  
 Adjustments In Rates  
 Are Provided

Pennsylvania Power Company announced today that it had filed a new tariff with the Pennsylvania Public Utility Commission. This revised tariff makes changes, additions and adjustments in most of the applicable rates, and provides more uniformity in application. The adjustments become effective April 16.

The revisions will, it is felt, bring about a more equitable relationship between the charges for the various classes of business served. The adjustments made constitute a continuation of the company's policy of reducing the number of rates under which service is supplied, as well as its price. During the past fifteen years, the company has reduced the number of its rate schedules from 36 to 7. The average price of residential service has been reduced from 5.95¢ to 2.95¢ per kilowatt hour; the commercial service from 4.48¢ to 2.82¢ during the same period. Residential customers have in fifteen years increased their average use from 545 kilowatt hours per year to 1,726 kilowatt hours in 1947. Commercial customers have also made substantial gains.

**Refiling of Rates**  
 Favorable financing during the past few years, increasingly efficient utilization of the company's facilities, and the completion of the new power generating unit at West Pittsburgh have made possible a general refiling of the rates, which will favorably affect a large majority of the company's customers. It is stated.

While the net result of the adjustments made is a reduction in revenue to the company, the filing provides for the imposition of a charge for increased coal costs on a portion of the kilowatt hours sold. Such a charge has heretofore been made on industrial customers, but the application is now widened to include other classes of service, the company announces.

**Rounds' Statement**  
 In announcing the rate adjustments, L. B. Round, vice president and general manager of the company, stated:

"Pennsylvania Power Company has for many years carried on a continuous program of study of its rate schedules. The objective has always been to simplify its rates, to seek uniformity in application, and to supply service at the lowest price consistent with the necessity of adequate service. For several months we have had discussions with the staff of the Public Utility Commission and have made a thorough investigation of the possibility for rate changes under present conditions.

"In doing so, we have recognized certain inequities and weaknesses that exist in our rates and, as a part of the adjustment now being made, have included changes that will increase bills to a few of our customers. By widening the application of the coal charge, we have also created a situation that, with further drastic increases in the cost of coal, may ultimately raise the price of service to certain other customers. The immediate result of the adjustments, however, is a reduction of \$235,000 per year in the company's revenues. Of the 61,572 customers served by the company, 816 will receive increases; the balance will either be decreased or not affected by the changes.

"We firmly believe that our faith in the future of this area will be amply justified by its continued development."

## Budget Surplus At New All-Time High

WASHINGTON, Feb. 17.—(INS)—The treasury reported today that the budget surplus reached an all-time high of nearly four billion 74 million dollars on February 13.

This exceeds last year's surplus peak of three billion 252 million dollars accumulated during the first nine months of the year ending June 30.

At the present rate of receipts and expenditures, treasury sources said that President Truman's estimate of seven billion dollar surplus for debt retirement by June 30 will be more than met.

The surplus will be greatly increased by the influx of income tax payments next month. The treasury now is retiring government debts at the rate of about 100 million dollars weekly.

## Marshall Plan Bill Presented To U.S. Senate

(BULLETIN)

WASHINGTON, Feb. 17.—(INS)—The Senate foreign relations committee completed action on the European recovery program today, and Sen. Vandenberg (R-Mich., committee chairman, promptly introduced the legislation in the Senate.

The committee unanimously voted for a four-year Marshall Plan to cost 53 billion dollars during the first 12 months.

The Senate will begin consideration of the ERP bill on March 1. At the suggestion of Sen. Millikin (R-Colo.), the committee inserted an amendment to charge \$3,000,000,000 of the total ERP appropriation to the fiscal year 1948 to relieve the burden on the 1949 fiscal year.

## Pittsburghers Revive Playing Shepherds' Pipes

PITTSBURGH, Feb. 17.—(INS)—A group of Pittsburghers have gotten together and revived the ancient art of making and playing shepherds' pipes.

They call themselves the Pittsburgh Pipers Guild.

Earl Herring, president of the guild, said that all one needs to make music as sweet as a clarinet or an oboe is a length of bamboo from 10 to 32 inches long and a penknife.

By cutting eight holes in the bamboo tube a range of an octave plus three notes can be had. The guild has a rule that all members must construct their own pipes.

The pipes play well in harmony with other instruments, Herring said, particularly with muted violins and the organ. He said he will begin teaching a course in pipe playing in Pittsburgh.

## Political Adviser For U. S. In Korea Returns Suddenly

WASHINGTON, Feb. 17.—(INS)—Joseph E. Jacobs, political adviser to Lt. Gen. John R. Hodge, occupation commander in Korea, arrived unexpectedly in Washington today.

Jacobs returned to the capital for consultation on the tense Korean situation created by the

proclamation of an independent Korean government in the Russian zone.

The state department couldn't say immediately whether Jacobs was summoned to Washington or whether he returned on Hodge's orders.

He had been stationed in Seoul where a United Nations commission is trying to solve the Korean problem.

After Jacobs confers with top state department policy makers the United States is expected to issue a caustic statement on the Russian inspired coup in northern Korea.

## Report Jinnah About To Retire

Governor General Of Pakistan In Poor Health, Reason For Retiring

LAHORE, Feb. 17.—(INS)—The Lahore "Civil and Military Gazette" said today that Mohammed Ali Jinnah, governor general of Pakistan, will soon retire because of poor health.

Jinnah, the newspaper said, will be succeeded by the Nawab of Bhopal, a princely state in central India which has joined the Indian Union.

The Gazette, an English language newspaper, said that Jinnah is anxious to retire and the "succession is believed to be already settled informally, but a few months may elapse before the changeover is effected."

**Well Liked Leader**  
Author of the book "Pakistan," Jinnah led India's Moslems in the demand for partition of their own state.

## Health Posters Made By Croton School Pupils

The importance of good health has been impressed on the art students of the second through sixth grades at the Croton public school through posters that the boys and girls have been busily engaged in drawing the past few days.

The student pupils in the class of Mrs. M. N. Brown have been attempting to outdo one another in their excellent creations. Many themes have been depicted pointing out the necessary things to do in order to remain healthy during their lives.

Monday the busy students were drawing with pencil bust size pictures of Abraham Lincoln. Hanging in the school art room are pictures presented to the students and art department by Rev. Wilbur Jacobs, pastor of the Dewey Avenue Free Methodist church, who drew them during his Sunday evening church services.

## Good News For Folks Who Suffer From

- ✓ STOMACH GAS
- ✓ SOUR FOOD TASTE
- ✓ ACID INDIGESTION

Do you feel bloated and miserable after every meal, taste sour, bitter food? If so, here is how you may get blessed relief from this nervous distress.

Everytime food enters the stomach a vital gastric juice must flow normally to break-up certain food particles; else the food may ferment. Sour food, acid indigestion and gas frequently cause a morbid, touchy, fretful, peevish, nervous condition, loss of appetite, underweight, restless sleep.

To get real relief you must increase the flow of this vital gastric juice. Medical authorities, in independent laboratory tests on human stomachs, have by positive proof shown that SSS Tonic is amazingly effective in increasing this flow when it is too little or scanty due to a non-organic stomach disturbance. This is due to the SSS Tonic formula, which contains special and potent activating ingredients.

Also, SSS Tonic helps build-up non-organic, weak, watery blood in nutritional anemia—so with a good flow of this gastric digestive juice, plus rich red blood you should eat better, sleep better, feel better, work better, play better.

Avoid punishing yourself with over-doses of soda and other stimulants to counteract gas and bloating when what you so dearly need is SSS Tonic to help you digest food for body strength and repair. Don't wait! Join the host of happy people SSS Tonic has helped. Millions of bottles sold. Get a bottle of SSS Tonic from your drug store today. SSS Tonic helps Build Sturdy Health.

### RECALLING PREVIOUS INTRODUCTION

Question: I have a rather bad memory for names, which I am trying hard to overcome. But what should I do when addressed by someone whose name and face are a complete surprise to me? Should I tell a white lie or admit my faulty memory when someone says: You don't remember me? I am of course referring to someone whom I met at a friend's house and whom I should remember.

Answer: If you can make yourself sound convincing say: "Yes, I do remember you." And as your conversation proceeds, you will, no doubt, find a clue to the mysterious person's identity. If you cannot find out her name in this way, ask someone at your first opportunity to give you some enlightenment. Is far from flattering to be told: "I'm sorry but I don't remember you."

Question: I have been going about with a man for more than two months. I am still undecided as to who should suggest making the next date. Should I make the suggestion or let him do so?

Answer: Although it is more dignified for a girl always to wait for a man's suggestion for a call, she may, strictly speaking, suggest that he make the first call, but she should not suggest any subsequent meetings. If you persist in arranging meetings, you may later discover that politeness, rather than attraction prompted him to accept your invitations. Where as if these suggestions come from him, you will always be sure that your "dates" were a result of your charm; and no one will ever be able to say that you got your man by "running after" him.

Question: I am to be maid of honor at a wedding at which there will be four ushers and no bridesmaids. Isn't it rather odd to have ushers and no bridesmaids?

Answer: For a pretty and evenly-balanced wedding party, there should be an equal number of bridesmaids and ushers, but not necessarily so. Ushers are almost indispensable and therefore must be included. Bridesmaids, having no particular function, except possibly to lend color, may be dispensed with.

## WASHINGTON CALLING

(Continued from Page Four)

creases is equally important. Most union leaders indicated at the beginning of the break that they would go through with their demands. But it in four or five weeks there's a real reflection of the break in the cost of living, perhaps better sense will prevail. The pent-up demand from the rank and file of trade unionists might be satisfied with long-term gains in pension plans and paid vacations.

One diagnosis of the slump should not be overlooked. Wishful voices in Moscow were raised at once to declare that this was the beginning of what communism has long and eagerly anticipated—a depression spelling unemployment and social disorder. Communism is counting on such a depression to isolate the United States economically and politically.

The other day, intelligence reports reached Washington of the speech of a communist leader in eastern Europe. He told his shock troops that, between now and next November, the U. S. A. would be so divided and so jittery over the election that they would be powerless to many any important decisions; therefore the time to sabotage American objectives in Europe was now. Jitters over the market break would help to prove him right.

## Asserts He Lost Sale Because Of Seized Records

By FRANK B. ALLEN  
(U.S. Staff Correspondent)

WASHINGTON, Feb. 17.—(AP)—Cullum, big-time Washington speculator, told reporters today he "lost" the sale of seven million pounds of wool because Ferguson, senate subcommittee investigator, seized his records.

Cullum, "speculation manager" for Sen. Elmer Thomas (D) Okla., declared also that the speculation problems failed to return one folder for which he has a receipt, and that they deny they took it.

Cullum made the accusation in the presence of reporters, who had been asked by Thomas to apply his reference in a public letter to Chairman Ferguson (R) Mich., to "crack on the private activities of citizens."

The counter-charge came as Ferguson announced that the subcommittee has not yet decided whether to hold open hearings to investigate Thomas' activity in the commodity markets.

At the same time, the subcommittee dropped its inquiry into the killing—variously estimated from \$200,000 to \$400,000—that E. T. Maynard, Chicago speculator, made by forecasting the commodity market break. Ferguson announced that the subcommittee was satisfied that Maynard acted upon his own judgment and without inside information.

### Father And Sons Gather For Dinner

About 135 Present At Enjoyable Event; 'Rosey' Rowswell Is Evening Speaker

At Mahoning Methodist church, a group numbering about 135 gathered on Monday evening for a father and sons dinner, in the dining hall.

The splendid repast, consisting of baked ham and all the trimmings, was served at six o'clock. Rev. Howard A. Redmond, pastor of Mahoningtown Presbyterian church, gave the invocation.

Leonard Blasdel was master of ceremonies.

Rev. J. L. Petrie, Mahoning Methodist pastor, introduced Miss Betty Robinson, Methodist chorister, who directed the pep singing during the evening.

Arthur L. Mienzi gave a toast to the dads in consideration of the boys. Herbert Cowley responded with a toast to the sons.

The master of ceremonies introduced the speaker of the evening, "Rosey" Rowswell of Pittsburgh, well known humorist and baseball broadcaster. He took as subject of his address, "Laughing Through Life." Through all his humor, Mr. Rowswell emphasized the value of a boy, and stressed the need of religious training, to enable a person to go through life with a smile.

He referred humorously to the various differences in the church denominations. He gave a challenge to the fathers in responsibility to their sons. In example, "No great honor can be bestowed on me, than that my two sons say that I am the best dad in the world in this world. This cannot be brought with money, but by example."

Members of the Women's Society of Christian Service prepared and served the dinner. Mrs. Ralph M. Scowden and Mrs. George Kutz headed the boys and daughters. Mrs. M. A. Boyd and Mrs. Ralph Taylor and their assistants were in charge of the dining room. Ralph Taylor was in charge of reservations.

## Reversal Of Down Trend In Markets Now Developing

CHICAGO, Feb. 17.—(AP)—The reversal of the downward trend in the commodity and security markets indicated today that the recent retail price reductions have run their course and that the housewife could look for higher prices.

The grain market rallied sharply yesterday and buoyed up the livestock and security markets, reversing the downward trend that started with a spectacular break in prices February 4.

Housewives, meanwhile, benefitted from some retail price reductions in food that followed the break, but experts warned that the "price war" has run its course and that food prices, led by meat, probably would bound back.

Corn futures and soybeans advanced the 8-cent daily limit permitted by the Chicago Board of Trade at one time yesterday, and wheat and oats were sharply higher in sympathy.

The rise in the price of corn, leading feed grain, strengthened the livestock market in Chicago where hog prices soared 50 cents to \$1 to the highest levels in 10 days.

Stocks on the New York exchange registered the largest recovery in four months as gains of fractions to two or more points were chalked up for some leading issues.

## Make Final Plans For Father-Sons Banquet At 'Y'

Final arrangements are being made for the annual YMCA Father and Son Banquet which is to be held on Monday, February 23 at 6:15 p. m. in the Banquet Room of the Y. M. C. A.

The program of recreation is being developed whereby the fathers will be able to see or participate in swimming, pool, table tennis and movies.

Due to the limited space, only fifty couples can be accommodated. In order to assure a place it is suggested that all who plan to attend get their tickets early. Tickets can be secured at the main desk in the lobby. The price is \$1.00 per plate, or \$2.00 per Father and Son. No phone reservations will be taken, and applicants must appear in person.

The meal will be prepared by camp cook, Mrs. Oscar Saul. Even though this early date reservations are being received so it is urged that all who plan to attend place their reservation early.

## Gas Supply To Industry Being Increased Here

If the present moderate weather continues, the supply of industrial gas will be back at one hundred per cent, T. J. Foley, manager of the Manufacturer's Light and Heat Company, said today.

## Close Schools Due To Water Shortage

HARPER'S FERRY, W. Va., Feb. 17.—(AP)—Both the grade schools and the high school in Harper's Ferry were closed today because of a lack of water.

Principal Eugene Ross said that the schools have only had water about 50 per cent of the time since the schools opened last fall.

Dr. S. C. Moore, health officer, ordered the schools closed because of the lack of sanitation measures which he said caused an epidemic of influenza among the younger school children.

Failure of pumps, inadequate sources of supply and poor maintenance have been blamed for the water shortage.

## Hold Youth As Robbery Suspect

Accused Of Stealing \$400 In Burglary At Pool Room; Faces Other Charges

John McFarland, age 18, of West Washington street, today was reported to have admitted to Detective Willis McMullen and John Moore, having robbed the Wilkins poolroom of about \$400 Saturday morning, the Thrifty market of cigarettes, tobacco and chewing gum February 11, and the P. & L. E. R. R. station at Wampum.

The Wilkins poolroom is at 107 East Washington street, second floor, and the Thrifty market is at 420 West Washington street.

Police Chief Robert D. Hanna reported that about \$250 of the money stolen from the poolroom was recovered from McFarland.

To rob the poolroom, it is reported, he climbed the rear of a two-story brick wall, and getting inside, hammered the safe open. He left the building the same way.

He entered the Thrifty market through a coal chute into the cellar. It is reported.

McFarland was arrested by Police Lieutenant George S. Kennedy when he entered police headquarters last night to inquire as to why detectives Moore and McMullen were watching one of his friends. He was detained, later questioned, during which he is alleged to have admitted the several robberies.

Police Chief Hanna stated this morning he proposed today to swear out an information charging McFarland with burglary.

## Swanky Gambling Casino In Florida Being Closed Down

Many Other Gambling Places Also Being Closed In Florida Miami Area

By JAMES RUSSELL  
(U.S. Staff Correspondent)

MIAMI, Feb. 17.—The swankiest night club-gambling casino in Florida will bow out of the glittering winter limelight tomorrow night as a result of a law enforcement clamp down that has virtually blacked out illegal gaming activities on the state's southeast "gold coast."

Palatial Colonial Inn, where roulette wheels have spun a merry tune of tourist dollars for the past several winters, plans to shut its doors at the height of the season, forcing a free-spending clientele to seek night-time excitement elsewhere and sending a \$45,000-a-week floor show on a job hunt.

The gambling room at the Colonial was cleared of tables last week in the wake of two injunction suits filed in Broward county court by Assistant State Attorney Dwight L. Rogers, Jr., son of the Florida congressman.

The legal action was aimed at closing the Colonial and one other spot and it came as a surprise to all concerned.

More than 30 other establishments in Broward county, heretofore immune to raids and anti-gambling activity—followed the Colonial's lead.

Coincidentally, the same pattern was carried out in Palm Beach county, immediately north of Broward.

# Asserts He Lost Sale Because Of Seized Records

**By FRANK E. ALLEN**  
(N. S. Staff Correspondent)

WASHINGTON, Feb. 17.—Dyke Cullum, big-time Washington speculator, told reporters today he "lost" the sale of seven million pounds of peas because Ferguson senate subcommittee investigators seized his records.

Cullum, "speculation manager" for Sen. Elmer Thomas (D Okla.), declared also that the speculation probes failed to return one folder for which he has a receipt, and that they deny they took it.

Cullum made the accusation in the presence of Thomas, who had been asked by reporters to amplify his reference in a public letter to Chairman Ferguson (R) Mich., to "raids on the private offices of citizens."

The counter-charge came as Ferguson announced that the subcommittee has not yet decided whether to hold open hearings to investigate Thomas' activity in the commodity markets.

At the same time, the subcommittee dropped its inquiry into the killing—variously estimated from \$200,000 to \$400,000—that E. T. Maynard, Chicago speculator, made by forecasting the commodity market break. Ferguson announced that the subcommittee was satisfied that Maynard "acted upon his own judgment" and without inside information.

# Reversal Of Down Trend In Markets Now Developing

CHICAGO, Feb. 17.—(INS)—The reversal of the downtrend in the commodity and security markets indicated today that the recent retail price reductions have run their course and that the housewife could look for higher prices.

The grain market rallied sharply yesterday and buoyed up the livestock and security markets, reversing the downward trend that started with a spectacular break in prices February 4.

Housewives, meanwhile, benefited from some retail price reductions in food that followed the break, but experts warned that the "price war" has run its course and that food prices, led by meat, probably would bound back.

Corn futures and soybeans advanced the 8-cent daily limit permitted by the Chicago Board of Trade at one time yesterday, and wheat and oats were sharply higher in sympathy.

The rise in the price of corn, leading feed grain, strengthened the livestock market in Chicago where hog prices soared 50 cents to \$1 to the highest levels in 10 days.

Stocks on the New York Exchange registered the largest recovery in four months as gains of fractions to two or more points were chalked up for some leading issues.

Final arrangements are being made for the annual YMCA Father and Son Banquet which is to be held on Monday February 23 at 6:15 p. m. in the Banquet Room of the Association. Rev. James A. Gaier will be the speaker for the evening. A program of recreation is being developed whereby the fathers will be able to see or participate in swimming, pool, table tennis and movies.

Due to the limited space only fifty couples can be accommodated. In order to assure a place it is suggested that all who plan to attend get their tickets early. Tickets can be secured at the main desk in the lobby. The price is \$1.00 per plate, or \$2.00 per Father and Son. No phone reservations will be taken, and applicants must appear in person.

The meal will be prepared by camp cook, Mrs. Oscar Saul. Even at this early date reservations are being received so it is urged that all who plan to attend place your reservation early.

# Gas Supply To Industry Being Increased Here

If the present moderate weather continues, the supply of industrial gas will be back at one hundred per cent, T. J. Foley, manager of the Manufacturer's Light and Heat Company, said today.

Today the supply is at 65 per cent with the possibility of a further increase before midnight. By tomorrow, assuming this weather remains as it is the supply should be back at normal.

# Close Schools Due To Water Shortage

HARPERS FERRY, W. Va., Feb. 17.—(INS)—Both the grade schools and the high school in Harpers Ferry were closed today because of a lack of water.

Principal Eugene Ross said that the schools have only had water about 50 per cent of the time since the schools opened last fall.

Dr. S. G. Moore, health officer, ordered the schools closed because of the lack of sanitation facilities which he said caused an epidemic of influenza among the younger school children.

Failure of pumps, inadequate sources of supply and poor management have been blamed for the water shortage.

# SMALL BLAZE AT GASOLINE STATION

Firemen were called to the gasoline station at Long avenue and Moravia, occupied by John Sylvester, at 12:15 a. m., today, by an alarm from Box 55.

A defective chimney caused damage of \$50. Fire Chief James E. Thomas reported.

# Hold Youth As Robbery Suspect

John McFarland, age 18, of West Washington street today was reported to have admitted to Detective Willis McMullen and John Moore, having robbed the Wilkins poolroom of about \$400 Saturday morning, the Thrifty market of cigarettes, tobacco and chewing gum February 11, and the P. & L. E. R. station at Wampum of tickets several weeks ago.

The Wilkins poolroom is at 107 East Washington street, second floor, and the Thrifty market is at 420 West Washington street.

Police Chief Robert D. Hanna reported that about \$250 of the money stolen from the poolroom was recovered from McFarland.

To rob the poolroom, it is reported, he climbed the rear of a two-story brick wall, and getting inside, hammered the safe open. He left the building the same way, he entered the Thrifty market through a coal chute into the cellar, it is reported.

McFarland was arrested by Police Lieutenant George S. Kennedy when he entered police headquarters last night to inquire as to "why Detectives Moore and McMullen were watching one of his friends." He was detained, later questioned, during which he is alleged to have admitted the several robberies.

Police Chief Hanna stated this morning he proposed today to swear out an information charging McFarland with burglary.

# Swanky Gambling Casino In Florida Being Closed Down

Many Other Gambling Places Also Being Closed In Florida Miami Area

**By JAMES RUSSELL**  
(N. S. Staff Correspondent)

MIAMI, Feb. 17.—The swankiest night club-gambling casino in Florida will bow out of the glittering winter limelight tomorrow night as a result of a law enforcement clamp-down that has virtually blacked out illegal gaming activities on the state's southeast "gold coast."

Palatial Colonial Inn, where roulette wheels have spun a merry tune of tourist dollars for the past several winters, plans to shut its doors at the height of the season, forcing a free-spending clientele to seek night-time excitement elsewhere and sending a \$45,000-a-week floor show on a job hunt.

The gambling room at the Colonial was cleared of tables last week in the wake of two injunction suits filed in Broward county court by Assistant State Attorney Dwight L. Rogers, Jr., son of the Florida congressman.

The legal action was aimed at closing the Colonial and one other spot and it came as a surprise to all concerned.

More than 30 other establishments in Broward county—heretofore immune to raids and anti-gambling activity—followed the Colonial's lead.

Coincidentally, the same pattern was carried out in Palm Beach county, immediately north of Broward.

# Railroad Man Is Struck By Auto

William Taylor, aged 31 years, of 408 1/2 Court street, local railroad engineer, suffered injuries to the nose and head, when struck by an auto driven by Paul G. Kuhn, of R. D. 2, Lowellville, at the corner of Mercer and East Washington street, shortly before midnight, last night.

Mr. Taylor was admitted to the Jameson Memorial hospital for treatment and observation, possibility of a concussion existing.

The Rev. Larman S. Sherwood Delivers Optimistic And Humorous Address Monday

Although he cannot see, the Rev. Larman S. Sherwood, minister of the First Methodist church of Rotterdam Junction, N. Y., looks at life most optimistically, and he gave New Castle Rotarians a little of his philosophy on life at their luncheon meeting in The Castleton Monday noon.

Bubbling over with enthusiasm, Mr. Sherwood, who is a much-sought-for speaker, related many humorous incidents which have happened to him because of his handicap. He has the happy faculty of looking at the bright side of everything, apparently, and he communicated much of this spirit to his audience.

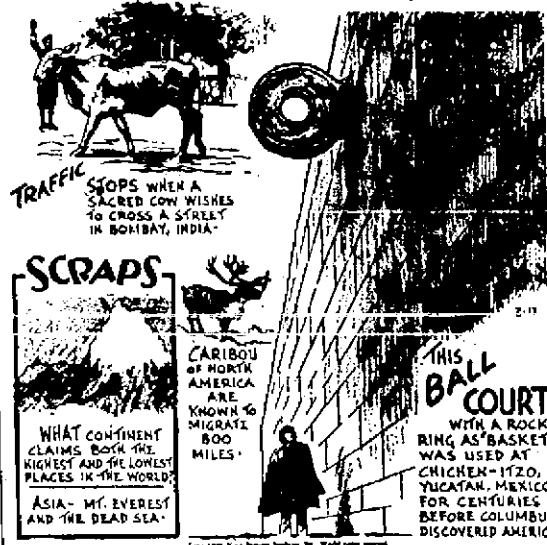

He spoke of the many kindnesses which had been extended to him throughout his life, things that probably meant little to those who extended them, but so much to him and to others in like circumstances.

In conclusion, he urged the members of the local club to be Rotarians every day in the week and all day long, rather than just the hour and a half during their luncheon meeting.

## Quick Work Saves Aspinwall High As Flames Break Out

PITTSBURGH, Feb. 17.—(INS)—Quick action by five school directors and the principal of suburban Aspinwall high school was credited today with halting the spread of a fire in the school auditorium.

The fire broke out last night as the school officials were meeting in a room across the hall from the auditorium. The officials notified the fire department and then unrolled a fire hose in the hall which they played on the flames.

The fire also routed members of a basketball team from the gymnasium underneath the deserted auditorium.

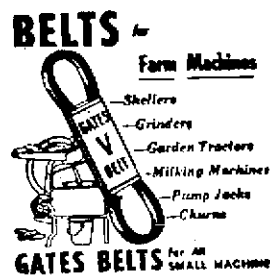

Origin of the fire could not be determined immediately. Damage was estimated at \$5000.

## Catholic Society Buys Big Estate

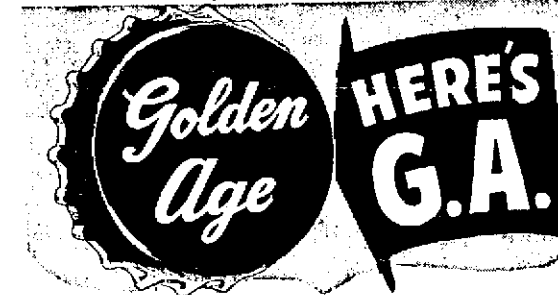

FRANKLIN, Pa., Feb. 17.—(INS)—The White Fathers society, a Catholic missionary order, was reported today to have purchased the 1038-acre River Ridge estate of the Congressman Joseph C. Sibley.

The property, overlooking the Allegheny river, has a 33-room mansion and 21 other buildings which will be turned into a school for training priests to serve in Africa as missionaries.

The Very Rev. J. Alfred Richards, provincial of the order, said the estate was purchased from Sibley's daughter, Mrs. William E. Heacock, for approximately \$150,000.

HOLLYWOOD, Feb. 17.—(INS)—Ava Gardner, whose beauty can be breathtaking, refuses to be a glamorous girl off the screen.

Now playing a goddess in "One Touch of Venus," Ava is perfectly frank about it, too.

She explained simply: "I don't like to dress up. I don't feel like make-up. I don't like high heels. I don't feel comfortable when I'm dressed up that way."

**Hates Dressing Up**  
"When I get up in the morning, the first thing I like to do is get into comfortable clothes. That generally means a sweater (and she can wear them) a skirt, and a pair of low-heeled shoes—maybe bunny sox, too."

"For makeup I rarely use more than a little lipstick."

"Sometimes when I go out in the street, dressed in this simple fashion, people do not even recognize me. That's probably just as well. I rarely dress up when I go out in the evening. More often than not, I wear a suit."

Ava was wrapped in a fur coat over her very filmy costume as "Venus" when I talked to her at

Universal-International, where she is on loan from M-G-M.

**No Rest For Ava**  
"I've had a sore throat, and, all I'm hoping is that I can stave off a cold until I finish the picture," she said. "I must report back to M-G-M in six weeks."

In the eight months since she was before the camera Ava has visited New York City, where she got no rest, and her home in North Carolina, where she got even less.

"I thought when I got home, I could just relax, but it didn't turn out that way. The young beauty explained: "The people greeted me like a celebrity!"

**Belgians Want Glenn**  
Glenn Ford has an opportunity to make a picture under the auspices of the Belgian government next year—and he hopes things work out so he can do it.

Glenn explained it to me when I visited him at Columbia where he is playing Rita Hayworth's principal screen lover in "Carmen."

"They want me to make the life of Peter Minnet, who wasn't a Dutchman as most people think, but a Belgian," he said. His wife, dancing Eleanor Powell, has an opportunity to appear at the Palladium in London at the same time.

### City Hall Council Acts On Several Matters

Session Held Without Mayor Who Is Suffering From Attack Of Grip

#### SEWER BIDS ARE OPENED AT SESSION

City council met Monday with Finance Director Albert A. Hoyland in the chair because Mayor John F. Haney was confined to his home with grip. Few transactions occurred.

Ordinances providing for an underpass storm sewer, beneath the Seventh ward sanitary relief sewer, and cut-out pipes to accommodate water flowing into the Shenango river, were adopted.

The former ordinance calls for an underpass storm sewer from Hobart street across lands of the Defense Plant corporation, P. & L. E. R. R. Adrian Realty company, B. & O. R. H. land to empty into the Shenango river. The New Castle Dunille company has the contract for the job.

The other ordinance provides for cut-out pipes to accommodate storm sewer water flowing across the right of way of the Seventh ward sanitary relief sewer, land of the Pennsylvania Power and New Castle Refractories companies in the Shenango river. A contract, it was indicated, will be let to the Continental Construction company, which built the Seventh ward sanitary relief sewer.

Bids for the Vogan street sanitary sewer and Gretchen street laterals were opened and were as follows: Kane, O'Hara and Haney company, Youngstown, \$1,392.25; and New Castle Dunille company, \$1,604. Upon motion of Councilman Gibson the bids were referred to the city engineer, John Street, for checking.

Upon motion of Councilman Joseph D. Alexander, council approved payment of January compensation on city employees, in the amount of \$324.97, to McBride and Shannon company.

Upon motion of Councilman Joseph D. Alexander, the city was empowered to accept and have the city treasurer accept a check from Slippery Rock township for \$50 for a siren which the city obtained from the O.C.D.

#### State Police Say:

Of the 93 persons who were killed in traffic accidents in Troop D area last year, 35, or 37.7 per cent, were pedestrians. Six pedestrians were killed between 12 midnight and 12 noon. The most dangerous hour for the man on foot was between 8 and 9 p. m., when five persons were struck down. The next most dangerous hours were between 2 and 3 p. m. and 5 and 6 p. m., when three were killed. It is interesting to note that the three killed between 5 and 6 p. m. were all pedestrians.

### Educator To Speak Thursday Evening

Executives Club Will Hear Outstanding High School Principal At Dinner Meeting

George H. Henry

New Castle Executives club members will have the privilege of hearing one of the nation's outstanding educators at their dinner meeting in The Castleton Thursday evening when George H. Henry, for 18 years principal of the Dover, Del., high school, will discuss the subject, "Behind the Crisis in Education."

Mr. Henry is author of many outstanding articles on education, and is one of the nation's leading magazine and is one of the most sought-for speakers on education in the eastern part of the country.

He is equipped to discuss the matter of education, interestingly and accurately, with up-to-date information, and a large crowd is expected to hear him Thursday evening.

### Dr. Harry Hager College Speaker

Chicago Pastor Being Heard In 'Spiritual Emphasis' Week At Westminster

NEW WILMINGTON, Feb. 17.—Dr. Harry Hager, pastor of the Bethany Reformed church of Chicago, will have for his subject, "When Satan Prayed," when he speaks in the Westminster College chapel Tuesday night in the second of a series of Spiritual Emphasis Week sermons.

Dr. Hager, guest speaker for the week, arrived on campus Monday afternoon and delivered an inspiring address, "A Call to Arms From Heaven," Monday night. Students participating were Robert Rank, Cherry Tree, Ruth Taggart, Washington, Pa.; Hazel Potter, Kenmore, N. Y.; Alyce Ann Eppley, Newell, W. Va., and Audrey Steehr, Unity.

Students who will assist in the service tonight are Mr. and Mrs. Robert Taylor, New Wilmington; James Martin, Pittsburgh; Ruth Fugger, Washington, and Mary Crawford, Old City.

Other events planned for Tuesday are: Pause for Prayer, 4:15 p. m.; Miss Martha Barnhill of the English department, leader; faculty reception, 5 p. m.; informal discussion for men at Alpha Sigma Phi fraternity, 10-11 p. m.

In addition to the evening services, Dr. Hager is speaking at both daily chapel sessions.

### Named Distributor For 'Perma-Stone'

The Castle Perma-Stone Company of 120 N. Mercer street, New Castle, Pa., has been appointed exclusive distributors in Lawrence County for a modern, new outside wall facing for remodeling for new houses and older buildings.

The facing is called "Perma-Stone," a type of stone-like veneer having the color, texture, permanence and appearance of natural stone.

In discussing the product, the Castle Perma-Stone Company explains that Perma-Stone is not a "lacked on siding," but that it is moulded and cast directly on walls by a unique patented process which places it beyond competition or imitation.

Perma-Stone is said to be so versatile that it can be applied to any type of building regardless of architecture, construction or condition. Installation is made by specially trained, highly skilled mechanics and is fully guaranteed.

### MANY NEVER SUSPECT CAUSE OF BACKACHES

This Old Treatment Often Brings Happy Relief

Many often relieve nagging backache quickly, only to discover that the real cause of their trouble may be tired kidneys. The kidneys are Nature's chief way of taking the extra acids and waste out of the blood. When disorder of kidney function permits poisonous matter to remain in your blood, it may cause nagging backache, rheumatic pains, leg pains, loss of pep and energy, getting up at night, swelling, puffiness under the eyes, headaches and dizziness. Frequent or scanty passages with smarting and burning sometimes show there is something wrong with your kidneys or bladder.

Don't wait! Ask your druggist for Doan's Pills, a stimulant diuretic, used successfully by millions for over 60 years. Doan's give happy relief and will help the 16 million of Americans who have backache, kidney trouble, or your blood. Get Doan's Pills.

### Arrange Korean Voting In March

SEOUL, Korea, Feb. 17.—(INS)—The radio station at Pongwang, in a Russian-dominated northern Korea, has broadcast the final installment of the newly-proposed constitution and reports that it will be put to a vote by north Korean people about the middle of March.

Coinciding with the drafting of the constitution, the first public announcement was made of imminent gun (people's army) and the Korean radio station reported that the army had shown its might in a huge demonstration.

In Seoul today, a high American authority said "we have evidence this army is well equipped with Russian heavy artillery, anti-aircraft and small planes."

### BEWARE OF PIN-WORMS

Medical reports reveal that an amazing number of children and adults are victims of Pin-Worms.

Watch for the warning signs, especially the embarrassing, itching rectal itch. After centuries of Pin-Worm distress, a simple solution may be found with them in the laboratories of Dr. D. Jayne & Son.

The small, easy-to-take P.W. tablets give satisfaction or your money back. So why take chances on Pin-Worms? If you suspect this icky infection, ask your druggist for P.W. and follow the directions. It's easy to remember: P-W for Pin-Worms!

**THE INFLATION PROBLEM**

IS JUST LIKE ARITHMETIC

... AND THERE'S A SOLUTION TO EVERY PROBLEM!

Even the inflation problem can be solved and you can benefit two ways in the solution... The answer is to be found in old-fashioned thrift and savings.

Federal Home Loan Bank figures indicate that we Americans are saving less than 5% of our incomes. This is considerably less than we saved in the war years, with incomes today substantially higher.

No wonder prices are high when we use such a large part of our earnings to bid against each other for scarce commodities.

Let's take a NEW LOOK at our budget today and allocate more to savings... YOU WIN TWO WAYS. First Federal will pay you liberal dividends on your savings... Your dollars saved today will buy you more and better goods and homes in the future when production catches up with demand.

## Court House County Tax Levy Raised One Mill

County Commissioners  
Adopt Budget, Set Levy  
At A Total Of 5 1/2  
Mills For Year

### OTHER EVENTS IN COURT HOUSE

At the meeting of the county commissioners on Monday, the budget for the year 1948 was adopted and the tax levy set at 5 1/2 mills. Of this, 4 1/2 mills are for general revenue and one mill is for institutional purposes.

The budget as adopted shows estimated receipts of \$588,748.97 and an estimated expenditure of \$537,190.15. This shows an estimated balance of \$51,558.82 at the end of the year which in itself would not be sufficient to carry over until new taxes start coming in. However, the receipts are usually higher than the estimate and the expenditures are usually lower than the estimate. For example, the estimate of receipts for 1947 was much lower than the actual receipts. The balance at the first of this year was \$197,082.10.

The 4 1/2 levy for general purposes and the 1 mill levy for institutional purposes is made on a realty assessment of \$63,350,000, the occupation assessments \$7,175,000 and the personal property assessment \$13,000,000.

## Observance Of Army Day Slated

Plans For Celebration Here On  
April 6th Will Be Mapped  
At Meeting Next Week

Plans for the observance of Army Day here on April 6 will be discussed at a luncheon meeting to be held in The Castleton, Wednesday noon, February 25, it was announced today by local U. S. army and air forces recruiting officers.

Just what plan the local observance will follow has not been determined, but the plans will be developed at this meeting. Attending will be Mayor John F. Haven, commanders of local veterans posts and other interested citizens.

The idea of the celebration is to honor those men who have served their country faithfully and well in the various wars of the nation, and particularly to pay tribute to those who gave their lives in this effort. Similar celebrations will be held throughout the country.

### WAMPUM

**WOMAN'S CLUB**  
Members of the Woman's club will meet in the Presbyterian church Thursday at 2 p. m. An all around birthday has been planned by the hostesses. Ladies have been requested to bring their baby picture. Roll call will be famous birthday in your birth month.

**CLASS MEETING**  
King's Daughters of the Presbyterian church will meet Thursday at 8 p. m. for the Bible study, business and social hour.

**VALENTINE PARTY**  
Misses Giorianne Bennett and Anne Butler were joint hostesses to 20 of their friends Saturday night at the former's home. Valentine decorations were carried out in the house, table and lunch. Games and dancing were the evening's amusement. A delicious lunch was served by the hostesses. Mrs. Bennett, assisted by her sister, Miss Mary Meli.

**OVERPLANTING MARS  
APPEARANCE OF LAWN**  
Successful lawn planning requires advance planning with available space influencing varieties and volume. As to overplanting, a place can be so crowded with plants that it has the appearance of a jungle. Instead of choosing too many kinds of shrubs, select a few carefully to provide just enough variation for a pleasing effect. Group several of the same kind together, rather than one each of many kinds.

Use of so-called decorative features, such as urns, pottery, and statuary also is frowned upon. Never edge shrubbery plantings or flower beds with broken crockery, or rocks. A sharp edge clipped in the grass is all the trimming the border needs.

The unbroken lawn of grass is one of the first requisites of good landscaping. Do not cut up the front lawn with flower beds and large clumps of shrubbery.

Flowers have their place in the scheme of things, but they should be used in a flower garden set aside for the purpose. Flowers can be planted in front of shrubbery masses and borders, or grown in the vegetable garden for cut flowers.

Flowers or shrubbery of vivid colors are beautiful, but should be

Participation In Forthcoming  
London Conference

LONDON, Feb. 17. — (INS) — Belgium and Holland were reliably reported to be insisting on full participation in the forthcoming three-power London Conference on Germany as the price of their admission to a western European Union.

Meanwhile the conference, scheduled to begin Thursday, was postponed to Feb. 23 at the request of U. S. Ambassador Lewis Douglas. Douglas notified Britain and France that he will be unable to return to his London post from Washington until then.

**Stumbling Block**  
The firm stand of the lowland countries threw a second stumbling block in the way of the efforts of Britain, France and the United States to agree on a German policy.

The first came Saturday, when Russia filed a stiff protest note with all three governments terming the conference a violation of the Potsdam and other agreements. Indications are that the conference will be complicated and prolonged.

## Pilot Parachutes From Army Plane

MIDDLETOWN, Pa., Feb. 17. — (INS) — Eleventh Air Force headquarters at Middletown today identified First Lt. George T. Johnson of Ellyria, O., as the pilot who parachuted from an Army training plane last night near York. Johnson sustained only minor injuries when he leaped. Air Force officials said.

The pilot, attached to the Watson laboratories, Red Bank, N. J., became lost and ran low on fuel on a routine night training flight from Middletown, they added.

### Governor Commends Plan To Aid Teacher By News And Penn State

HARRISBURG, Pa., Feb. 17.—Governor James H. Duff today praised the New Castle News and the Pennsylvania State college for their joint efforts to recognize and reward the profession of school teaching in Lawrence county.

The state's chief executive was, in effect, endorsing the plan sponsored by the New Castle News and the Penn State summer sessions to send an outstanding teacher to the college for summer study with all expenses paid—tuition, room, board, books and transportation.

Viewing the plan as a "fine example of the commonwealth," Gov. Duff added:

"If the communities throughout the state are concerned with the quality of teaching in the local school and recognize those teachers with high ideals and commendable ability, the teaching profession will assume greater importance in the eyes of able young men and women as they select their future work."

"We need the best men and women the state affords as teachers and counselors of our boys and girls," the governor concluded.

Recognition of the project came also from Dr. Francis B. Haas, superintendent of public instruction, and John H. Biddle, president of the Pennsylvania Newspaper Publishers Association and publisher of the Huntingdon Daily News.

Commendable Effort  
Dr. Haas termed the fellowship plan "a commendable effort to give recognition to the able teacher who is performing a professional job of public service."

"It is good business for Pennsylvania schools to point with pride to public school teachers possessing high standards of scholarship, keen understanding of human nature, integrity of character, and sound ideas of practical citizenship. These teachers are the men and women who in educating our children are shaping the future policies and achievements of this commonwealth."

Mr. Biddle said: "The press of Pennsylvania has always been eager to ally itself with constructive educational projects. I know of no one more worthy to receive the support of the press and the public than the school teachers who are doing their jobs well and conscientiously."

All school teachers in Lawrence county are eligible for the fellowship. Applications may be obtained from John Syling, chairman of fellowship selection committee, county superintendent's office, New Castle.

They must be returned by February 20.

A short business session will include the election of officers for the association for the ensuing year.

### New York Election To Reveal Strength Of Wallace Party

NEW YORK, Feb. 17.—(INS)—Voters turned out in a steady stream today in New York's special "test" congressional election which is expected to reveal the strength of Henry Wallace's third party.

Karl Propper, Democratic candidate for the 24th congressional district seat, confidently predicted a victory over Leo Isaacson, Wallace's candidate, who is running under the banner of the American Labor party.

Today's election will fill a congressional vacancy created when former Rep. Benjamin J. Robin was elected to the N. Y. supreme court.

### Two More Flasher Lights Operating

Two more flasher lights have been placed in operation by Rex Hughes, city electrician.

They have been installed at Moody avenue and North Mercer street, and at Neal and Taylor street.

The flashers will warn the two intersections are dangerous and caution should be used.

A traffic light is soon to be erected at the Mahoning avenue viaduct and Moravia street. It will be a three-way light.

### Senator Wagner May Quit Senate

WASHINGTON, Feb. 17.—(INS)—Democratic leaders disclosed today that Senator Robert F. Wagner of New York may resign from the Senate in the near future so his vacant seat can be filled at next November's election.

Wagner is reported to have suggested his own resignation because of persistent ill health. If he resigns before August 3 the vacancy must be filled at November's election. If a vacancy is created after that date, Gov. Thomas E. Dewey would appoint a Republican, who would serve until the 1950 election.

Some Democrats believe the election of a senator in New York this year would help President Truman carry the state.

### Crack Pennsy Diesel Engine Takes Fire

LILLY, Pa., Feb. 17.—(INS)—Fire nearly destroyed the two-unit diesel engine of the Pennsylvania railroad's crack St. Louis passenger train near Lilly, railroad officials reported today.

The train was delayed last night for more than two hours as firemen fought the blaze which spread to the fuel tank of the first power unit and then to the locomotive.

No one was injured. Another engine was brought from the Conemaugh yards.

### Jury Selecting Methods Studied

PHILADELPHIA, Feb. 17.—Judge John Biggs, Jr., senior member of the third circuit court of appeals, today awaited a report of jury-selecting methods employed in the court.

Judge Biggs announced that a study has been underway for a month, and the report is expected to be made soon.

He said the inquiry was undertaken after the U. S. supreme court had made adverse criticism of jury-selecting methods in some other courts.

The report will be made by Judges Paul Leary, of Wilmington; Harry E. Kalodner, of Philadelphia; J. Cullen Ganey, of Bethlehem; Frederick V. Follmer, of Lewisburg; Robert M. Gibson, of Pittsburgh; and Thomas M. Madden, of Camden.

## Plan Holy Week Services In City

**Dr. Crooks Presents Paper On Re-  
formed Presbyterian Church  
At Pastors' Meeting**

Churches of New Castle and vicinity will unite again this year for the Holy Week services which take place annually in the downtown churches of the city.

The report, as given Monday by Rev. Thomas Jones at the regular meeting of the New Castle Ministerial Association in the First Presbyterian church, North Jefferson street, listed noon day Holy Week services to take place Monday through Friday, March 22 to 25 in First Methodist church, North Jefferson at North street.

The three hour services of the churches will take place on Good Friday, March 26 in the First Presbyterian church, the scene of last year's meeting. A program of speakers will be announced by the ministerial committee at a later date.

The meeting of the ministers was directed by Rev. James N. Rainey, president of the association aided by Rev. W. J. Holmes who conducted the period of devotion and Rev. Oliver W. Hurst, song leader.

The survey committee headed by Rev. George R. D. Braun reported that a number of assignments were still missing and must be turned in before the survey can be completed. The assignments were in connection with the house to house canvass conducted recently by residents of the city.

Introduced during the morning hour were: Rev. H. Blair of the Reformed Presbyterian church of Rose Point; Mr. Pattison, a layman of Pittsburgh and Dr. Larman Sherwood, blind minister of Rotterdam Junction, N. J.

The speaker of the day was Dr. E. A. Crooks, pastor of Reformed Presbyterian church who told of the beginnings, early history and present status of the Covenanters church. His address was well received by the pastors.

**Brotherhood Week  
Endorsed By Duff**

HARRISBURG, Feb. 17.—(INS)—Gov. James H. Duff endorsed "American Brotherhood Week" beginning February 22 under the sponsorship of the National Conference of Christian and Jews.

The governor found it significant that the observance started on George Washington's birthday anniversary. He pointed out that the principles of "civil and religious liberty, of equality and brotherhood" on which the nation was founded in Washington's day are essential today.

Township School

No stone has been left unturned by the Union Township Hi-Y Club to make this year's Fathers and Sons banquet in the school the most successful one that has ever been held in the history of Union High. The stage has been set for the feeding and entertaining of 250 to 300 fathers and their sons on Thursday evening, February 19, at 6:30 o'clock in the school.

Rev. James A. Gaiser, pastor of the First Methodist church, has been chosen as this year's speaker for the annual event. Preceding the dinner and the address, Rev. Fr. Francis Gallagher of St. Mary's church will give the invocation.

J. Arthur Turek, supervising principal of the Union township schools is toastmaster for the event and will introduce the features of the program. The toast to the fathers will be given by Larry Hart, with his father, Lawrence Hart making the response.

The entertainment of the evening will be directed by Miss Betty Robinson with the following participating: Paul Fowler, baritone solo; Tom Wallace, Bill Ratvasky, Robert Szwedzyk, trumpet trio; Lynn Fowler, tuba solo; Ted Wolanski, Fred Covelli and Joe Sniezek, orchestra selections and Melvin Kauffman, tenor solo.

Members of the P. T. A. will serve with Robert M. Cowher, Hi-Y advisor general chairman.

**Argentine Paper  
Criticizes U. S.**

BUENOS AIRES, Feb. 17.—(INS)—The newspaper Critica interpreted the commodity slump in American markets as "Uncle Sam's maneuver to ruin Argentina's economy."

In an editorial titled "against Argentine wheat," the newspaper charged that the "Chicago depression" was linked with a campaign to force Argentina to lower her wheat prices.

The editorial stated: "It is very significant that the price decreases affected almost exclusively products of which Argentina is a great producer, but not manufactured goods which Argentina requires from the United States."

County Tax Levy  
Raised One Mill

County Commissioners  
Adopt Budget, Set Levy  
At A Total Of 5 1/2  
Mills For Year

OTHER EVENTS  
IN COURT HOUSE

At the meeting of the county commissioners on Monday, the budget for the year 1948 was adopted and the tax levy set at 5 1/2 mills. Of this, 4 1/2 mills are for general revenue and one mill is for institutional purposes.

The budget as adopted shows estimated receipts of \$588,748.97 and an estimated expenditure of \$537,190.19. This shows an estimated balance of \$51,558.78 at the end of the year which in itself would not be sufficient to carry over until new taxes start coming in. However, the receipts are usually higher than the estimate and the expenditures are usually lower than the estimate. For example, the estimate of receipts for 1947 was much lower than the actual receipts. The balance at the first of this year was \$197,082.10.

The 4 1/2 levy for general purposes and the 1 mill levy for institutional purposes made on a realty assessment of \$63,250,000, the occupation assessments \$7,175,000 and the personal property assessment \$13,000,000.

Observance Of  
Army Day Siated

Plans For Celebration Here On  
April 6th Will Be Mapped  
At Meeting Next Week

Plans for the observance of Army Day here on April 6 will be discussed at a luncheon meeting to be held in The Castleton, Wednesday noon, February 25. It was announced today by local U. S. army and air forces recruiting officers.

Just what plan the local observance will follow has not been determined, but the plans will be developed at this meeting. Attending will be Mayor John E. Hixon, commanders of local veterans posts and other interested citizens.

The idea of the celebration is to honor those men who have served their country faithfully and well in the various wars of the nation, and particularly to pay tribute to those who gave their lives in this effort. Similar celebrations will be held throughout the country.

OVERPLANTING MARS  
APPEARANCE OF LAWN

Successful lawn planting requires advance planning with available space influencing varieties and volume. As to overplanting, a place can be so crowded with plants that it has the appearance of a jungle. Instead of choosing too many kinds of shrubs, select a few carefully to provide and enough variation for a pleasing effect. Group several of the same kind together, rather than one each of many kinds.

Use of so-called decorative features, such as urns, pottery, and statuary also is frowned upon. Never edge shrubby plantings or flowers with bottles, broken crockery, or rocks. A sharp edge clipped in the grass is all the trimming the border needs.

The unbroken lawn of good landscaping. Do not cut up the front lawn with flower beds and large clumps of shrubbery. Flowers have their place in the scheme of things, but they should be used in a flower garden set aside for the purpose. Flowers can be planted in front of shrubby masses and borders, or grown in the vegetable garden for cut flowers.

Flowers or shrubbery of vivid colors are beautiful, but should be

HEATING IN BIN CAN RUIN  
GRAIN FOR SEED

Heating of grain in the bin, as may happen more often where combines are used than with other methods of harvesting, has been reported the cause of some poor stands of wheat and winter barley.

In some fields last fall not enough of the seed germinated to give satisfactory stands, even where moisture was adequate. Investigation showed that a high percentage in some cases, practically all of the seed was dead as a result of slight heating in the bin.

In most cases the grain had been combined, and while it seemed dry enough to store, enough heat apparently developed to kill it. There was little or no evidence of mustiness to indicate such heating.

Since similar experiences could happen with oats, growers can make germination tests by planting 50 to 100 grains in greenhouse flats or flower pots. These should be covered with cloth or burlap and kept moist until the sprouts emerge.

If seed is sold retail it must be tested for purity and germination. This can be done by sending a quart sample to the Bureau of Plant Industry at Harrisburg. In purchasing seed, growers should insist that these two tests have been made. Certified seed always carries these safeguards, and has always been field inspected for disease, objectionable weeds, and varied mixture.

Lowland Countries Insist On Full  
Participation In Forthcoming  
London Conference

LONDON, Feb. 17. (INS) — Belgium and Holland were reliably reported to be insisting on full participation in the forthcoming three-power London Conference on Germany as the price of their admission to a western European Union.

On a while the conference, scheduled to begin Thursday, was postponed to Feb. 23 at the request of U. S. Ambassador Lewis Douglas. Douglas notified Britain and France that he will be unable to return to his London post from Washington until then.

## Stumbling Block

The firm stand of the lowland countries threw a second stumbling block in the way of the efforts of Britain, France and the United States to agree on a German policy.

The first came Saturday, when Russia filed a stiff protest note with all three governments terming the conference a violation of the Potsdam and other agreements. Indications are that the conference will be complicated and prolonged.

Pilot Parachutes  
From Army Plane

MIDDLETOWN, Pa., Feb. 17. (INS) — Eleventh Air Force headquarters at Middletown today identified First Lt. George T. Johnson of Elyria, O., as the pilot who parachuted from an Army training plane last night near York.

Johnson sustained only minor injuries when he leaped. Air Force officials said.

The pilot, attached to the Watson laboratories, Red Bank, N. J., became lost and ran low on fuel on a routine night training flight from Middletown, they added.

Funeral At Mercer

MERCER, Feb. 17. — Funeral services for the late Miss Myrtle V. Rudolph, aged 75, former resident of Leesburg, were conducted this afternoon from the Earl C. Miller and Sons funeral home in Mercer.

Miss Rudolph, who was born January 12, 1873, in Leesburg, for many years was associated with her brother, Earl, in a business in Leesburg. She was a graduate of the Volant academy. She is survived by her brother, Earl S. Rudolph, of Stoneboro.

Relief Payments  
Are Decreasing

HARRISBURG, Feb. 17. (INS) — State Treasurer Ramsey S. Black today reported benefits totaling \$1,102,746 were paid to 54,758 veterans during the week ended February 6 while payments amounting to \$1,006,436 were made to 58,678 unemployed civilians.

The previous week's disbursements were \$1,123,262 to former servicemen and \$847,201 to jobless civilians, he added.

Members of the Wolves club will meet at The Castleton this evening at 8:30 o'clock, for their dinner meeting. President Nicholas Casalandra will be in charge.

# Bessemer-Wampum Clash Tonight In Crucial Section 23 Contest

## Both Quintets Primed For Season Headliner

Victor Of Tonight's Game Can Virtually Sew Up 1947-48 "B" Toga; Capacity Crowd Expected For Battle; Other Section 23 Teams Active.

Tonight in the Bessemer high school gymnasium coach William Ciccone's Cementers and coach L. Butler Hennon's Wampum Indians will duplicate their meeting of a year ago. The winner of this evening's epic struggle can virtually lay hand to the Section 23 trophy for this campaign, and a record crowd will sit in on the proceedings.

Last winter the Redskins took the Cement City five, 39-34, in a hard-fought battle, but tonight it won't happen, say the high-flying Ciccone flippers. They are out to dethrone the Hennon lads and figure they have the stuff to do it. Of the two teams that faced each other in last year's game, only four are back. Ed McMillin is the lone Wampum player who started the '47 contest, while Anderson, Gennaro and Glass are the Bessemer hold-overs.

Both teams tied for the lead with 10 victories and two defeats. They both have a wind-up game remaining and anything can happen (including a possible deadlock at the termination of the season and another play-off), but tonight's winner can, probably will, go on to match the honors. Wampum has New Wilmington Friday night while Bessemer closes against Mt. Jackson.

After a dismal start, Butler Hennon's crew started clicking, and with McMillin the only foundation upon which to build, the Wampum mentor got his green quilt into high gear at the half-way mark and they have been breezing ever since. Tonight it will probably be a lineup of King and McMillin at the forwards, Miller at center, with Armistario and Ryehlicki manning the guards. Coach Ciccone will counter with the same lineup that has proved effective all campaign—Anderson and Gennaro, forwards; Hank Pessulio, center; with Glass and "Steamer" Stanley, guards.

Bessemer has played steady, driving ball all season, their attack built around Anderson and Glass, and have enjoyed the section's top perch most of the way. Whether they can stay there is a question due to be settled in 32 hectic minutes tonight.

Other loop games will pair Princeton and Union at the latter's floor, Shenango at New Wilmington and East Brook at Mt. Jackson.

**CATHOLIC CENTER GAMES**  
Tonight St. John's will play SS Phillips and James and St. Lucy's will tangle with St. Mary's at the Catholic Center floor. The latter two teams are tied for first place in the second half of the grade school race and a fast contest is anticipated.

Sunday At Arena

### Pulaskis-Elks Agree On City Title Clash

That on again off again K. Pulaski "Big Five" and Elks club city championship series is definitely on this time and the time is Sunday afternoon at the Arena at 3 o'clock.

Basketball fans here have been in a dither for many weeks wondering whether or not these two fine clubs would get together in the city title series. Well, folks, the arrangements were completed last night and the "big game" is on for sure.

Al Gonet for the Pulaskis and Austin Cowmeadow and Paul Morrison for the Elks made the final details last night at a conference.

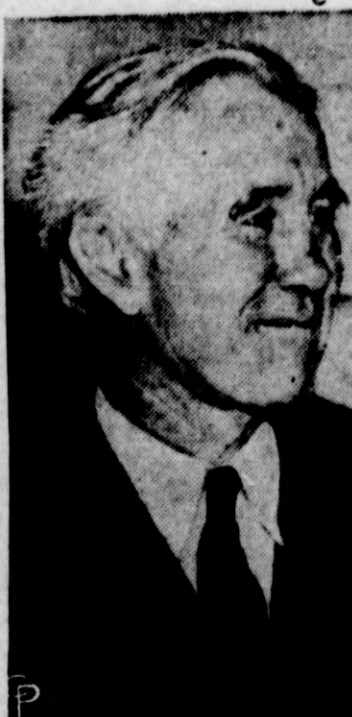

Looked For Packed House  
There is not much question that the Arena floor will see the largest crowd in years for this important tussle. The fans have been all het up over this one. Which is the best team?

Both the Elks and Pulaskis have fine records for the season to date. The cream of the basketball crop in New Castle is found on both rosters.

Both teams have agreed to "no loading up," the question that has been uppermost in keeping them apart.

This will undoubtedly be the most heated basketball game of the season here. The interest among the fans is intense.

### McMillin to Pros?

PRO FOOTBALL may get another top-rated college coach. Alvin (Bo) McMillin (above), Indiana's head coach, is reported considering an offer to leave his college post to become mentor of the Detroit Lions. (International)

### Game Commission Likes Airplane Feeding System

HARRISBURG, Feb. 17.—(INS)—The State Game Commission plans today to consider the feasibility of feeding game in state preserves from airplanes as a permanent program.

The suggestion came from sportsmen's organizations which have undertaken dropping feed from airplanes to snowbound game that otherwise might starve.

Commission Director Seth Gordon said emergency air feeding in Blair, Pike, Jefferson, Monroe and Lehigh counties will be checked to determine whether the practice would be advisable under normal circumstances.

He emphasized that he preferred full cooperation in carrying out the commission's present program of establishing ground feeding stations.

The commission distributes corn and other grains at shelters during the winter and in some cases buys several acres of standing corn from farmers to tide game over severe weather. During the spring and fall, the commission plants seedlings, grasses and other vegetation that will provide protection as well as food.

### Elks At Bellevue Wednesday Evening

The New Castle Elks Lodge 68 basketball team will go to Bellevue Wednesday evening for a return game. It was announced by Business Manager Austin Cowmeadow. The Elks recently defeated the Bellevues here.

Saturday night the Elks will play the strong Chicago Pneumatic Tool team of Franklin, Pa., at the Washington High gym floor, and in the prelim at 7:15 o'clock the strong Elks Reserve will seek to avenge an earlier defeat by the Shenango Pottery five of the "Y" league.

The Elks recently defeated the CPT team at Franklin.

### ROD AND GUN CLUB TO MEET

West Pittsburgh Rod and Gun club will meet at Diaz hall, at West Pittsburgh at 7:30 p. m., Wednesday. Motion pictures of wild life will be shown. A report on the stocking of rabbits will also be delivered, according to Lewis J. Papa.

### Close Contests In Y Leagues

Calabra Club Spunks Bronze Local, Wampum And Congressional Win

Three fast and exciting contests featured the "Y" leagues last night. In the only Civic Industrial loop affair, the Calabra Club whipped the Bronze Local 69 team, 51-44, sparked by Calazza and Congi, with 13 apiece. Tommeleo racked up 16 for the losers.

Wampum took a 45-40 battle from the First Methodist, led by Frankie Procopio who banked in 25 of his team's points. Jack French reaped 17 for the Methodists. In the other tilt the First Congressional won, 44-40 from the St. George five.

### NORTH COUNTY LOOP MEETING

Officers and managers of the North County Baseball League will hold a business session at Carm's place, W. Washington street, this evening at 7:30 o'clock.

All the loop officials and the club leaders are urged to be present to air 1948 plans.

### Pulaskis Playing Ohio Vets Tonight

Tonight at the K. P. Hall the Pulaski "Big Five" will battle the East Liverpool Vets at 8:15 o'clock, following a 7:30 o'clock prelim in which the Pulaski Cubs will play the Shenango Hi-Y team.

Friday the Pulaski "Big Five" will play the New Kensington Presbyterians, with a 7:30 prelim it was announced by Coach Al Gonet.

The East Liverpool team is one of the strongest in Eastern Ohio and will give the Pulaskis a tough battle this evening, it was indicated.

### HERE AND THERE IN SPORTS' LAND

**GUNNERS** who like to kill black marauders will have an opportunity to learn the tricks of crows when a motion picture displaying a hunt on a rookery will be shown by the Lawrence County Sportsman's Association at their meeting tonight in the CIO hall, South Jefferson street. A year ago a raid was made on the Hillsville-Edenburgh rookery which was not the success it ought to have been, because of premature firing into the trees. Tonight's session will be topped off with coffee and doughnuts. . . . City Baseball league will hold their next meeting March 11, at Carm De Leone's. Eight teams have signified their intention of taking out a franchise. Representatives of teams which will enter the loop on that date must be prepared to place a \$25 payment on their franchise money. Len Gilbert is president; Blackie Fundoots, is vice president, and Walter Hannon is secretary. They look forward to a good season.

Upon one occasion the late Knute Rockne didn't accompany Notre Dame when the Irish played Carnegie Tech, and the result is history, which brings to the fore that, the manager of Jeff Clanton, believing that Brothers was a set-up for Jeff lollied at home, and allowed a substitute to handle Clanton against Brothers. Everyone knows the result. A TKO in less than a minute! This has nettled, yea, aggravated Clanton's manager, and in a letter to Tommy Leach of the Jefferson A. C. he writes: "I'm coming to handle Clanton, and you'll see Clanton 'kick' Brothers around. I'll see to that." So far only two have gone the limit with Brothers, Ike Bell and Rizieri Ronzi. Brothers later stopped Rizieri, but was outpointed by Bell. It is highly probable that Clanton will use all his boxing science to win a decision from the hard-hitting Brothers one week from tomorrow night. Johnny Izzo, who has a good record, will box Julian Keene of Washington, in the semi-final. This should be a rip snortin' battle.

Emperor geese nest along the sea coast among the driftwood, on the islands and points of marshy lakes a few miles from the coast. . . . Weather like yesterday causes fishermen to look to their trout reels, the opening of the season being less than two months distant. . . . The Atlantic salmon does not die after spawning but returns to salt later. . . . Before a wrestling match recently between Howard U and Virginia State U. physicians disqualified five grapplers because of high blood pressure. . . . Although Jackie Robinson would have liked to receive \$20,000, he will get \$5,000 short of that amount for 1948. . . . Ray Arcei, New York trainer, has been engaged to look after Jackie Crawford of Washington, D. C. . . . Dewey Athletic club will hold an important baseball meeting Friday night, according to Dal Hartman. The meeting will be held in the basement of Croton M. E. church.

### PATTY BACK ON SPLASH PATH

**OUT OF ACTION** last year due to illness, Patty Sinclair of New York, former National A. A. U. indoor breaststroke champion, is back in the national swimming picture again this year. Patty, seen working out in New York, plans to enter the National A. A. U. event at Daytona Beach, Fla., in April. (International)

### Sold To San Diego

### Jeep Handley Headed Back To Minor Leagues

By JIMMY JORDAN  
(International News Service Sports Writer)  
PITTSBURGH, Feb. 17.—Lee (The Jeep) Handley, erstwhile \$20,000 infield bauble of the Pittsburgh Pirates, is headed back to the minors again.

Not that he has to go. The off-season radio announcer has enough chores to keep him busy—and the wolf from the door—if he wants to forego baseball. And at no meagre stipend, either.

But it may be his taking a job with the San Diego Padres of the Pacific Coast League because he'll probably be the highest paid minor league player in the game.

The Philadelphia Phils announced they had sold the reserve third baseman by adoption at first was reluctant to announce whether he would take the job. Yesterday, however, he said:

"I have decided to go to San Diego, the club to which I have been sold by the Phils."

"Really, it is hard for me to say whether I like radio over baseball, or vice versa. But I have decided to stay in radio after the season and have made commitments to broadcast football games next October when I return from the coast."

Then he added: "Maybe if Herb Pennock hadn't passed out of this world the day after he signed me to the best contract of my baseball career I would stay in the National League."

Pennock, general manager of the Phils, died suddenly two weeks ago.

**\$15,000 Contract**  
It was believed the contract called for \$15,000 for the 1948 season. That contract, of course, will be in effect all season. If the figure is correct, Handley will be getting three times as much as a minor league rookie are paid.

Handley's exodus from the major league scene—perhaps permanently—is almost as unusual as his introduction as a regular major league player. The 32-year-old fellow first broke in with Toronto of the International League in 1935. Cincinnati had a string on him.

The next year the Reds brought him up, played him in 24 games in which he batted .308, and then sent him back to Toronto. But there was monkey business afoot in that deal, and the late shaggy-haired Kenesaw Mountain Landis, high commissioner of baseball, found out about it.

He declared the Jeep a free agent, in December, 1936. Pittsburgh offered him a \$20,000 bonus to ink a contract. But, said Handley:

"I'll take it only if you give me \$10,000 now and the other \$10,000 after the first of the year."

Just a little matter of income tax.

The Pirates kept him through the 1941 season. They sold him to the New York Giants on a conditional basis, and he went back to Toronto. He stayed two years, and the Pirates got him back in 1944.

He hung around until last year, when he went to Philadelphia.

### New Castle Rifle Club Tops Butler

The New Castle rifle club with Wilbur Thomas shooting a sensational 247 string out of a 250 possible, defeated the Butler rifle club last night at the Cathedral range 1199 to 1162.

There will not be a match next week, as New Castle is idle in the league. New Castle has won two and lost one in the second half.

The results last night: New Castle—Thomas 247, Williams 243, Carrigan 237, Bowers 236, Moore 236—total 1196. Butler—Fisher 234, Taylor 233, Watson 233, Troutman 232, Ritson 230—total 1162.

### Hot Chase For Title To Continue Tonight

The three-cornered fight for the Section 3 diadem goes on tonight, with the trio of contenders in important scraps.

The spotlight clash is between two of the top teams, Aliquippa and Farrell, slated for the spacious Steeler court, and out of this collision could emerge the eventual loop king.

The "Quips" were the team to hand the Lewis passers their loss, dumping them 51-39 in the valley, and this defeat sent the Mercer countians into a spin from which they almost didn't recover. New Castle and Sharon also applied the ax, but the Steelers stabilized themselves to hit the victory road again and fight back into the chase.

New Castle, sporting the same slate as Farrell (6 wins against 3 defeats), returns to action after an idle night, going to Sharon to take on the troublesome Tigers. The "Canes" must cop this one to survive in the pursuit and their task will be a tough one at the Bengals' floor. Then too, coach Colliodi and his lads are remembering the 50-46 loss sustained here and will be out to knock the Red and Black title train into the ditch.

**Ends Next Tuesday**  
The loop warfare will end next Tuesday. New Castle still must meet Farrell and Elwood City after the Tigers, while Aliquippa has Ellwood and Ambridge yet. Farrell closes out with their arch-rivals, Sharon following their appearance here against the Hurricane.

An Aliquippa victory tonight would just about seal the issue, since Ellwood and the "Bridgers" are not looked to give the high-scoring Indians much trouble in the last two tilts. However, if the Webb team is upset tonight the race would be a wide-open affair right to the final buzzer of the campaign.

The other game of the evening, dwarfed by these big meetings, is Beaver Falls at Ellwood City. The Fallsmen shot their chance Friday night when this meeting will have no bearing on the chase. The Tigers are heavy favorites to triumph.

### No Tickets For Game At Sharon

New Castle basketball fans are advised by the Sharon High officials tonight that there are no seats available nor any tickets for the New Castle-Sharon game tonight, so it will be useless for any New Castle fans to drive to Sharon expecting to see the ball game.

### Boosters Slam Slippery Rock

East Brook Boosters proved too tough for the Slippery Rock Legion last night at the Hickory township high school floor, winning 33-47. Ringer ran wild for the Boosters, stuffing in 33 points to be the star of the night.

### WESTLAKE SIGNS; 39 BUCS IN FOLD

PITTSBURGH, Feb. 17.—(INS)—The Pittsburgh Pirates today claimed the distinction of being the first major league team to have all players under contract for 1948. The signed contract of Outfielder Wally Westlake was received on Monday. He previously had returned his contract unsigned.

His signing brought to 39 the number of Bucs under contract—the complete roster which will report for spring training at Hollywood March 1.

### Coon Hunters To Hold Field Trial

Lawrence County Coon and Fox Hunters To Hold Hunt Saturday

Lawrence County Coon and Fox Hunters association met last night in McBride Post, 522, Grant street, and decided to hold a field trial day, May 15, the place to be named later. Thomas Shaffer, past chairman, will be in charge of the trial. On March 15, the local organization will be host to officers of the Western Pennsylvania division of Coon Hunters Field Trial association. Nine counties will be represented.

It is hoped to have a board of directors elected in May, with five members of all affiliated clubs as representatives or directors of the organization.

Thomas Shaffer reported about his trip to Harrisburg last week where he went in the interest of the organization. It was reported hunting license fees will be increased this year.

The organization decided to hold a fox hunt at one p. m. Saturday. Hunters will meet at the Wampum post-office. There will also be a hunt, Monday, February 23. D. N. Reno will be in charge of the hunts.

Membership has increased, 67 new members having been added. An invitation was accepted to attend the meeting Friday night of the Lawrence County Sportsman's council.

### TO PASS UP AAU RUN

STATE COLLEGE, Pa., Feb. 17.—(INS)—Gerry Karver, national outdoor mile champion, is expected to pass up the AAU indoor mile run at New York Saturday. Coach Charles Werner said Penn State is booked for a dual meet with Notre Dame and reported Karver would make the trip to South Bend.

## Hospital Drive Expense Report Is Presented

**Heads Of Campaign Submit  
Detailed Report Of Ex-  
penses Incurred**

In a detailed statement released today by Roger W. Rowland, president of the Board of Directors of the Jameson Memorial Hospital and Alex Crawford Hoyt, general chairman of the recent hospital expansion campaign, the entire costs of the campaign are made public. The total cost of putting on the campaign, including professional fees, typing, printing, advertising, meetings and all the other incidental costs, came to \$29,238.51. This is an amazingly low total cost for a campaign so large. Ordinarily the entire cost of expenses runs between 5 per cent and six per cent of the total raised.

The total amount of pledges in hand, now total \$908,245.06. Cyril Plara, treasurer of the Pennsylvania Power Company has been named as treasurer of the special extension fund.

**Detailed Report**  
The detailed account of the expenses, which are signed by the two men named above, follows:

Ketchum, Inc., fixed fee, including traveling and living expenses of staff, \$19,800.

Typists, \$1,375.47.

Premium on surety bond for treasurer, \$150.25.

## MORAVIA

North Beaver grange will meet at their hall in Moravia on Thursday evening, Feb. 19, at 8 o'clock. The Willing Workers Bible class held a regular monthly meeting at the home of Mr. and Mrs. Scott Brest on Friday evening. Plans were made to have an oyster supper in March. A delicious lunch was served by the social committee.

Women's Missionary society met at the home of Mrs. Blanche Snodgrass on Wednesday for an all-day quilting with a tureen dinner served at noon. Next meeting will be Wednesday, Feb. 18, all day.

Miss Betty Duff, a former nurse at the Jameson hospital, has left for Pittsburgh where she will receive further training at the Children's hospital there.

Mrs. Augusta Werner and Mrs. Frances Genson, who underwent operations at the Jameson hospital, are getting along as well as can be expected.

## Plan Holy Week Services In City

**Dr. Crooks Presents Paper On Re-  
formed Presbyterian Church  
At Pastors' Meeting**

Churches of New Castle and vicinity will unite again this year for the Holy Week services which take place annually in the downtown churches of the city.

The report, as given Monday by Rev. Thomas Jones at the regular meeting of the New Castle Ministerial Association in the First Presbyterian church, North Jefferson street, listed noon day Holy Week services to take place Monday through Friday, March 22 to 25 in First Methodist church, North Jefferson at North street.

The three hour services of the churches will take place on Good Friday, March 26 in the First Presbyterian church, the scene of last year's meeting. A program of speakers will be announced by the ministerial committee at a later date.

The meeting of the ministers was directed by Rev. James N. Rainey, president of the association aided by Rev. W. J. Holmes who conducted the period of devotion and Rev. Oliver W. Hurst, song leader.

The survey committee headed by Rev. George R. D. Braun reported that a number of assignments were still missing and must be turned in before the survey can be completed. The assignments were in connection with the house to house canvass conducted recently by residents of the city.

Introduced during the morning hour were Rev. H. Blair of the Reformed Presbyterian church of Rose Point; Mr. Pattison, a layman of Pittsburgh and Dr. Larnan Sherwood, blind minister of Rotterdam Junction, N. J.

The speaker of the day was Dr. E. A. Crooks, pastor of Reformed Presbyterian church who told of the beginnings, early history and present status of the Reformed church. His address was well received by the pastors.

## Brotherhood Week Endorsed By Duff

HARRISBURG, Feb. 17.—(INS)—Gov. James H. Duff endorsed "American Brotherhood Week" beginning February 22 under the sponsorship of the National Conference of Christian and Jews.

The governor found it significant that the observance started on George Washington's birthday anniversary. He pointed out that the principles of "civil and religious liberty, of equality and brotherhood" on which the nation was founded in Washington's day are essential today.

PERMA-STONE houses stay modern long after other types of coverings have become unsightly and outmoded.

*All the beauty and charm of  
natural stone, available in a  
wide selection of styles and  
color combinations.*

PERMA-STONE IS MADE FROM THE SAME INGREDIENTS AS OUR GREAT BRIDGES, DAMS AND OTHER MASSIVE STRUCTURES. ITS CEMENT, QUARTZ AGGREGATES, SUNFAST MINERAL COLORS, WATER PROOFERS AND METALLIC HARDENERS.

## INSULATES · WEATHERPROOFS · FIREPROOFS

PREPARED AND CAST DIRECTLY ON WALLS WITH PATENTED PRESSURE MOULDS

## For New Construction

THE USE OF PERMA-STONE OVER LESS SCARCE MATERIALS SUCH AS TILE, CINDER OR CEMENT BLOCK IS STRUCTURALLY CORRECT; IS TRUE ECONOMY; IS AS PERMANENT AS STONE—AND MEANS THE DIFFERENCE BETWEEN AN OTHERWISE, VERY ORDINARY BUILDING AND THE STRIKING BEAUTY OF THE MODERN HOME SHOWN ABOVE.

**All These Materials Now Available**

PERMA-STONE solves many construction problems, eliminating future maintenance expense — providing beauty, comfort and permanence. Can be applied on new or old tile, stucco, brick or block and on new or old frame construction. Installations quickly made without disturbing the occupants.

PERMA-STONE converts any property, —new or old, home or commercial— into an outstanding investment for either owner occupation or re-sale. For those who build or own, those who value distinctiveness and want to make the first cost the last cost, PERMA-STONE is the ideal choice for outside walls.

PERMA-STONE is not a mere "residing job." It encases the building from the ground up in a stone-like, weather-proof, concrete armor.

**Rev. J. A. Gaiser  
To Address Union  
Fathers and Sons**

Expect Over 250 At Annual Fathers  
And Sons Event At Union  
Township School

No stone has been left unturned by the Union Township Hi-Y Club to make this year's Fathers and Sons banquet in the school the most successful one that has ever been held in the history of Union High.

The stage has been set for the feeding and entertaining of 250 to 300 fathers and their sons on Thursday evening, February 19, at 6:30 o'clock in the school.

Rev. James A. Gaiser, pastor of the First Methodist church, has been chosen as this year's speaker for the annual event. Preceding the dinner and the address, Rev. Fr. Francis Gallagher of St. Mary's church will give the invocation.

J. Arthur Turek, supervising principal of the Union township schools is toastmaster for the event and will introduce the features of the program. The toast to the fathers will be given by Larry Hart, with his father, Lawrence Hart making the response.

The entertainment of the evening will be directed by Miss Betty Robinson with the following participating: Paul Fowler, baritone solo; Tom Wallace, Bill Ratvasky, Robert Szewczyk, trumpet trio; Lynn Fowler, tuba solo; Ted Wolanski, Fred Covelli and Joe Sniezek, orchestra selections and Melvin Kauffman, tenor solo.

Members of the P. T. A. will serve with Robert M. Cowher, Hi-Y advisor general chairman.

**No Wallace On  
Nebraska Ballot**

LINCOLN, Neb., Feb. 17.—(INS)—Henry Wallace's name will not be on the Democratic presidential primary ballot in Nebraska.

Raymond McConnell, Jr., chairman of a non-partisan primary committee that circulated petitions

urging it, has announced that not enough signatures were obtained, so President Truman will be the only candidate.

National Democratic committee-man James C. Quigley commented: "Abandonment by the unofficial committee of its purpose to put Henry Wallace's name on the Democratic ballot in Nebraska was both sensible and wise. Wallace's attitude toward Moscow would make his name on the ticket a political incongruity."

**Argentine Paper  
Criticizes U. S.**

BUENOS AIRES, Feb. 17.—(INS)—The newspaper Critica interpreted the commodity slump in American markets as "Uncle Sam's maneuver to ruin Argentina's economy."

In an editorial titled "against Argentine wheat," the newspaper

charged that the "Chicago depression" was linked with a campaign to force Argentina to lower wheat prices.

The editorial stated: "It is very significant that the price decreases affected almost exclusively products of which Argentina is a great producer, but not manufactured goods which Argentina requires from the United States."

## Crown Champs Of Pittsburgh Golden Gloves

Eight Winners And Eight Alternates Set For Eastern Division Finals

PITTSBURGH, Feb. 17.—(INS)—Eight champions and eight alternates today were qualified to represent Pittsburgh in the eastern division finals of the National Golden Gloves tournament.

The eight winners in the Pittsburgh Dapper Dan Club tournament in which 248 fighters competed. The eastern division tournament opens in New York March 1.

They won their titles last night in a series of 16 semi-final and eight final battles in the Pittsburgh Gardens. Oddly, only one of the 24 bouts ended in a knockout, and that was the last of the series, held before 6,240 fans. Robert Baker knocked out Harry Mazerick in the second round to win the heavyweight crown. Both are Pittsburghers.

Other winners in the finals of the tournament, all by decisions, were:

112 pounds, defending Pittsburgh champion Tony Tarentino beat Chuck Collins, 118 pounds, Tommy Barto, Arnold, Pa., defeated Curt Brown, Pittsburgh; 126 pounds, Eddie Marsh, Johnstown, Pa., beat Arnold Curry, Uniontown, Pa.; 135 pounds, Don Alderson, Cannonsburg, Pa., outpointed Curtis Coles, Pittsburgh; 147 pounds, Donald Free, Jeannette, Pa., beat Freddy Mann, Pittsburgh; 160 pounds, Floyd Morris, Pittsburgh, defeated Billy Irwin, Pittsburgh; 175 pounds, Jim Edwards, Pittsburgh, outpointed Robert Lanfried, Greenville, Pa.

## AAC HOPING TO CONCLUDE PARLEY

CHICAGO, Feb. 17.—(INS)—The All-America Football Conference, still gripped by the octopus of its own problems, has extended its winter planning session into today with hopes of settling a schedule and adjourning by tonight.

When last heard of, the coaches and bigwigs hadn't settled too much. Still up for grabs were the identities of the new Chicago Rocket backers, a new coach for the Los Angeles Dons and 17 of the 20 players given by more fortunate club to "weak-sisters" Baltimore, Brooklyn and Chicago.

## MANGRUM TAKES \$2,000 TEXAS TOURNAMENT PURSE

HARLINGEN, Tex., Feb. 17.—(INS)—Slim Lloyd Mangrum of Chicago—goldfom's leading money winner of the year—rattled another \$2,000 around in his pocket today as the Winter links caravan headed for New Orleans, next stop on the big P.G.A. wheel.

The two grand was for Mangrum's playoff conquest of Jim Demaret yesterday after the two had tied with 72-hole 289's for first place in the \$10,000 Rio Grande Valley Open at Harlingen, Tex.

The dapper ex-Texan's second tournament triumph of the season saw him tour the 6,045-yard Harlingen municipal course for a six-under-par 65, four strokes up on Demaret.

## Indiana Pair Seeking Zale-Rocky Rematch

MICHIGAN CITY, Ind., Feb. 17.—(INS)—Authoritative sources declared today that Michigan City promoters Tex Nunnally and Marshall Kams will strike for the big time by offering a \$180,000 base guarantee for the Rocky Graziano-Tony Zale middleweight championship rematch.

The rematch would be held in the Michigan City ball park some time in July, and some backing is expected from a Chicago television station which will televise tonight's Nunnally-Kams indoor show at Michigan City.

The Indiana athletic commission has not yet said whether or not it will permit Graziano to fight in the Hoosier state. Graziano has been barred in Illinois, where he scored a sixth round technical knockout to take the title from Zale in Chicago stadium last July.

## DENIES YALE OFFER

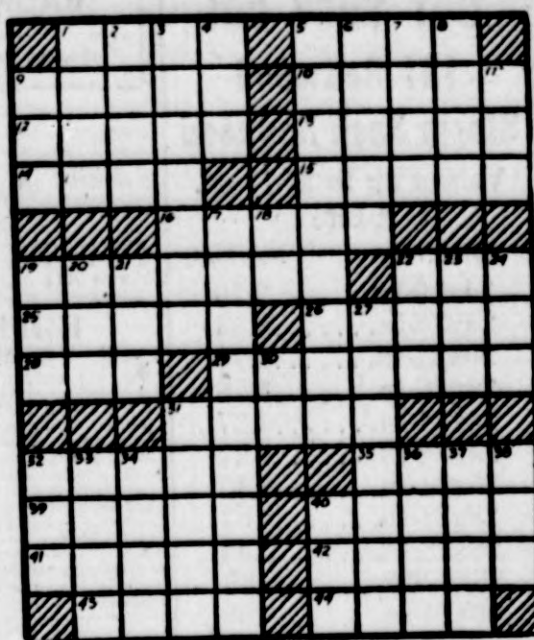

PHILADELPHIA, Feb. 17.—(INS)—Temple university football coach Ray Morrison today branded reports that he would coach Yale's grid squad as "a lot of imagination."

"I haven't been approached at all," Morrison said. "It sounds like somebody has a lot of imagination."

According to the report printed in a New York newspaper, Morrison was to succeed Howie Odell as Yale coach and assume the post of athletic director for the Elis.

## Italian Heavy In U. S. Debut

CHICAGO, Feb. 17.—(INS)—Enrico Bertola, 190-pound heavyweight champion of Italy, makes his American debut tonight in a 10-round feature bout against top-notch trial horse Jimmy Bell, dark-skinned Washingtonian.

Bell, holds a decision over Joe Baksi of Kumpmont, Pa., and has gone 136 training rounds against Joe Louis without being floored, but his 24-year-old, six-foot opponent from Carrara, Italy, owns a record at least equally impressive. In 28 professional fights, Bertola has won 28 times, and all but seven of these occasions were knockout affairs.

## Crown Champs Of Pittsburgh Golden Gloves

Eight Winners And Eight Alternates Set For Eastern Division Finals

PITTSBURGH, Feb. 17.—(INS)—Eight champions and eight alternates today were qualified to represent Pittsburgh in the eastern division finals of the National Golden Gloves tournament.

The eight winners in the Pittsburgh Dapper Day Club tournament in which 248 fighters competed. The eastern division tournament opens in New York March 1.

They won their titles last night in a series of 16 semi-final and eight final battles in the Pittsburgh Gardens. Oddly, only one of the 248 ended in a knockout, and that was the last of the series, held before 6,240 fans.

Robert Baker knocked out Harry Markel in the second round to win the heavyweight crown. Both are Pittsburghers.

Other winners in the finals of the tournament, all by decisions, were:

112 pounds, defending Pittsburgh Champion Tony Tarentino beat Chuck Collins; 118 pounds, Tammy Barto, Arnold, Pa., defeated Curt Brown, Pittsburgh; 126 pounds, Eddie Marsh, Johnson, Pa., beat Arnold; 135 pounds, Don Alderson, Cannonsburg, Pa., outpointed Curtis Cole, Pittsburgh; 147 pounds, Donald Free, Jeannette, Pa., beat Freddy Mans, Pittsburgh; 160 pounds, Floyd Morris, Pittsburgh, defeated Billy Irwin, Pittsburgh; 175 pounds, Jim Edwards, Pittsburgh, outpointed Robert Lantieri, Greenville, Pa.

## AAC HOPING TO CONCLUDE PARLEY

CHICAGO, Feb. 17.—(INS)—The All-America Football Conference, still gripped by the octopus of its own problems, has extended its winter planning session into today with hopes of settling a schedule and adjourning by tonight.

When last heard of, the coaches and bigwigs hadn't settled too much. Still up for grabs were the identities of the new Chicago Rocket backers, a new coach for the Los Angeles Dons and 17 of the 20 players given by more fortunate club to "wink-winkers" Baltimore, Brooklyn and Chicago.

## MANGRUM TAKES \$2,000 TEXAS TOURNAMENT PURSE

HARLINGEN, Tex., Feb. 17.—(INS)—Slim Lloyd Mangrum of Chicago—goldsmith's leading money winner of the year—rattled another \$2,000 around in his pocket today as the Winter links caravan headed for New Orleans, next stop on the big P.G.A. wheel.

The two grand was for Mangrum's playoff conquest of Jim Demaret yesterday after the two had tied with 72-hole 269's for first place in the \$10,000 Rio Grande Valley Open at Harlingen, Tex.

The dapper ex-Texas's second tournament triumph of the season saw him tour the 6,045-yard Harlingen municipal course for a six-under-par 65, four strokes up on Demaret.

## Indiana Pair Seeking Zale-Rocky Rematch

MICHIGAN CITY, Ind., Feb. 17.—(INS)—Authoritative sources declared today that Michigan City promoters Tex Nunnally and Marshall Kambs will strike for the big time by offering a \$180,000 base guarantee for the Rocky Graziano-Tony Zale middleweight championship rematch.

The rematch would be held in the Michigan City hall park some time in July, and some backing is expected from a Chicago television station which will televise tonight's Nunnally-Kambs indoor show at Michigan City.

The Indiana athletic commission has not yet said whether or not it will permit Graziano to fight in the Hoosier state. Graziano has been barred in Illinois, where he scored a sixth round technical knockout to take the title from Zale in Chicago stadium last July.

## DENIES YALE OFFER

PHILADELPHIA, Feb. 17.—(INS)—Temple university football coach Ray Morrison today branded reports that he would coach Yale's grid squad as "a lot of imagination."

"I haven't been approached at all," Morrison said. "It sounds like somebody has a lot of imagination." According to the report printed in a New York newspaper, Morrison was to succeed Howie Odell as Yale coach and assume the post of athletic director for the Elis.

## Italian Heavy In U. S. Debut

CHICAGO, Feb. 17.—(INS)—Enrico Bertola, 190-pound heavy-weight champion of Italy, makes his American debut tonight in a 10-round feature bout against top-notch trial horse Jimmy Bell, dark-skinned Washingtonian.

Bell, holds a decision over Joe Bakst of Kalamazoo, Pa., and has gone 130 training rounds against Joe Louis without being floored, but his 24-year-old, six-foot opponent from Carrara, Italy, owns a record at least equally impressive. In 28 professional fights, Bertola has won 26 times, and all but seven of these occasions were knockout affairs.
